Stanley - June 29, 2021, 12:54 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

its yall fault that you guys are paying him/automated website for the bots. i would suggest yall ALWAYS USE CONTRACTS and deal ONSITE to reduce the chances of getting scammed
