Hello,

I have just added portfolio link to the thread. We do both Video & Image ads. You can always check previous work before engaging.

We are specialists on e-commerce products but I'm pretty sure we can do any type of ad to attract your audience.

Come take yours!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
