I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP

(Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Received this program to review. It worked better than expected. OP also includes a bunch of other useful tools/templates, so you can get the most bang for your buck. Planning on using one of the vouchers tomorrow to get a massage and I'm confident in doing so. I will come back to update this thread on how my experience goes while using the voucher IRL.
