Stanley - May 26, 2021, 8:55 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

for 30,000 Bytes, Supplied by HUSTLERS and [Gem](#) and [Crypto Q](#)

The #2nd place winner is [mention=4227846]

he actually rolled himself which was less than a 3% chance, so with that being lucky as that was, I told him we 100% are fine with that lol.

Screenshot above for proof of rolls, we did it in general chat with stanley and there was 20 witnesses, GG guys, and thanks for entering this contest, and welcoming Hustlers to HackForums!
