Thread: [Twitch Mob Farmed Twitch.tv bits - Make \\$\\$\\$ for your investment](#)

Iconical - May 20, 2021, 8:01 am

Sales open as long as this thread remains open

TTV Farmed bits in stock - 1000 bits = \$10 payout on the 15th of the following month

these are the prices:

1k bits = 5\$

10k=45\$

100K = 400\$

Bits over 10k = 1 free affiliate account + setup help

easy profit

Skeptical of these being illegally obtained?

We will show screenshots of our farmer to extremely trusted users & very trusted buyers only.

Fair enough.

I will keep this service in mind, when I get some more crypto's I will try it out.

Bits fly by and are typically gone within 1-2 weeks since farming is only available certain periods of time.

Are these sent at once or is it a drip feed system?

I have a aff twitch account lying around which is 6 months old and has about \$40 in prime subs

Once you know about drip feed, what's the max order size and are you able to help in setting up to liquidate?
