Thread: [LTB Escape From Tarkov Private Client](#)

LunaBass - May 20, 2021, 7:07 pm

Title explains it all! Please PM me if you are the owner of / know a good private client for sale!

Thanks ??

razenxd - June 21, 2021, 5:42 pm

Still looking for a private cheat ?

Private is in the name, once it is sold to someone random (no offence, random to the developer) it becomes a public cheat

I would hope to be curated by the developer before actually making the sale! if I'm buying a private client I want to make sure that slots are extremely limited and there is a vetting process of some form involved to avoid leaks.
