Thread: [DeFi100 Exit Scam - Runs away with \\$32M in Investor Funds](#)

Sholi - May 22, 2021, 10:32 am

Their website was updated with this page a few hours ago.

Silkroad - May 22, 2021, 10:50 am

I'm not that surprised to be honest, with all that's going down currently, there's most probably going to be an increase in exit scams over the next few months.

Lindros - May 22, 2021, 7:56 pm

Whelp, that's a pretty fuckin blatant omission of guilt lmao.

metamorphosis - May 22, 2021, 8:09 pm

'apparently' some users from reddit have already doxed the owner? not too sure about the source

Minisaints - May 23, 2021, 11:53 am

They're claiming their website was hacked on Twitter.

trump20244 - May 23, 2021, 1:05 pm

Yikes look like they dont give a fuck

yep saw this update not sure what's even going on anymore lmao

wildowl - May 25, 2021, 1:00 pm

This is very unfair. They could be closing doors for other legit platform
