Thread: [Job Searcher \(Earn up to \\$50 a month\) EASY and RELAXED job!](#)

Blockonome - May 24, 2021, 3:56 am

Hey HF,

I am currently hiring for this position: Job Searcher

What will you be doing:

- Find jobs online and post them to their designated region within a community.
- Warn any member of the community, if they break our community rules.

Commission Based Salary: up to \$50 a month paid the 30th of each month in Crypto.

Pr. listing you make, you will be paid \$0.10 (All you have to do, is to copy paste a link and possibly write a one line title).

If you do well, I might allow you to do more work, which also means you will be able to make more money. Starting low, to find people who are long-term and willing, as I do not want people who are not serious.

DM me for more information.

I would definitely be interested in this, it's something I actually do for local low income families anyway; seeking jobs for them and trying to get them to the front of the queue etc. Will send you a DM now.

Does this have anything to do with SMM [Blockonome](#) ?

No, it does not have anything to do with SMM, I am looking for someone who can do affiliate marketing, if you are interested in that?

PM me! Will be closing this thread, as I have found my employee.

This position is open again, let me know if anyone is interested! I am actively looking!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
