As in the subject. What style are you wearing?

I myself love to wear a jacket in spring and summer, and if not for the capricious weather in my country, I would probably wear it all year round^^

b?xxy - May 24, 2021, 9:30 am

I wear hoodies all year round to be honest, even if it's 100 degrees.

trump20244 - May 24, 2021, 9:32 am

Nike windbreakers are dope , honestly I wear them year long

Doomslayer - May 24, 2021, 9:57 am

I love hoodies. I like spring and early fall where it's not too hot and perfect hoodie weather.

I used to be like that, but with age my style changed terribly:)

Well, I bet you look elegant in them, brother:)

The most important thing is that you feel good in them, bro?

That's great bro, I hope you get great results in the gym.

I wish you to grow as high as possible????

I wear a thin jacket even in summer because I need pockets for all my stuff

Yes, bro pockets in jackets are irreplaceable:)

I love jackets, I wish I could wear them year round.

blackrose_x0x0 - June 22, 2021, 6:39 pm

I wear hoodies year long. In the summer I'll wear them at night since it still gets chilly.

I love wearing a nice jacket in the fall and winter seasons as well that's not only warm but looks nice at the same time. I'm looking at getting a nice black pea coat for winter this year. Got some chelsea boots that would pair up nicely with it.

My noodle arms nearly require cold weather clothes to look normal.

Senno - June 22, 2021, 8:24 pm

Me too, but when it's hot, it's hard to wear them (unless in the late evening ^^).

Honestly, I envy you this. There is either rain or heat in Poland.

Winter just doesn't exist here XD

Beherit - June 23, 2021, 6:54 am

Fall and early Spring I'm usually wearing a light jacket. Stay fresh at all times, you know.

AiDenti - June 23, 2021, 5:38 pm

I wear whatever is necessary for the weather, but I always try to dress like a dad.

I wear jeans all year round, even in the summer.

Dvusi - June 23, 2021, 11:42 pm

It's way too hot in the summer to wear anything more than one layer where I'm at. I used to be the kid wearing hoodies all year long, before I lost a bit of weight and gained a sense of style.
