Got most of the Info, but I want everything on these few morons I Pay Decent.

If you're In Texas, Idaho, Denmark, UK or California.... It's better. Hell if you're In any of these Locations IDC If you're doing the wet work I'll hire you. It'll be explained once you accept. Not for Everyone, Gas is High right now, but the reason I need you there is for a Valid reason.

As for The P.I. Don't be a lousy Lazy Person. Payment after you do you work. Everyone Else? I'll Explain to you when you'll expect to Get paid.

THIS JOB IS PERSONAL, SO DON'T EXPECT IT TO BE EASY OR LOW PAY. I HAVE MY REASONS FOR NEEDING THIS, KEEP IT LEGAL AND DO NOT SHARE ANY DETAILS ABOUT THEM ANYWHERE NO MATTER IF THEY PISS YOU OFF

So, If Your doing the wet work? I Pay Decent. Crypto Only. No PayPal. No Cash App. No anything but Crypto.

I Payout the day you get the work done.... Not before. Why? Because here's the deal, I show you my Bank Account Balance first you do the work and you get Paid. I Don't Have time to scam, this Job Is personal. So If you're Interetested. PM me or Hit me up In a convo. I'll add my Discord though It might be "Termed" soon. So IDK take it how it is.

Edit for Clarification:

This Job has a good ending..... This person has done a lot of Damage, I'm filing a Legal Police report with the info. This won't be fake or Have the S-Team bursting through the door. That's all you need to know.

Again I Have most of the data, Find me the rest and you'll walk away with some cash that is equal to bigger projects.

Wet works?! You are trying to solicit a hit on me?! I live in one of those states...so i can only assume you are soliciting for someone to murder me....

Your skid behavior has gone too far!!!

This is really the lowest of low, you are a discredited skid, that lulz and I have exposed...

And because you are so beyond weak and upset, you have decided to solicit for someone to murder us...WOW

Unlike you, I dont involve authorities. I am a big boy and handle my business as such. You just royally f***ed up!
