Thread: [\[H\] \\$170 google play account](#)

Admironi - May 30, 2021, 11:08 pm

I'm selling google play account (gmail) with \$170 google play credits added with gift cards on it. Taking crypto, 15% in your favor.

145 for it, account is mine, was using it for a while for games. But i'm not playing anything anymore so i have the credits just standing there for nothing.

I used it for subscriptions, in app purchases and movies, i think some streaming services as well. Not sure if you can use it for google pay.
