Thread: [What clothing style do you wear?](#)

Perileos - May 31, 2021, 5:36 am

I'm usually in-between casual and formal wear. Currently rocking black chinos and a white shirt, wbu?

Tightarse - May 31, 2021, 6:44 am

Same look, I avoid brands where possible. Plain white t, and chinos or track pants.

Do have nice brand shoes for work or sport.

Lilith - May 31, 2021, 6:57 am

Think Lisbeth Salander from David Fincher's version of The Girl with the Dragon Tattoo and you've got me; though I have hair close to platinum blonde rather than black.

Same, Currently rocking grey chinos and a black t-shirt

Aeowulf - May 31, 2021, 9:08 am

Always a black t-shirt. Jeans or shorts depending on the weather. Simple as that.

A Nobody - May 31, 2021, 1:46 pm

I wear business casual at work and punk outside of work.

618C - May 31, 2021, 2:26 pm

Dredd - May 31, 2021, 3:56 pm

Skinny jeans, branded t's or shirts / hoodies / bomber jackets and in the winter my fluffy parkour jacket.

That's what I'm wearing now. I usually have a pair of cargo pants as well, but black tshirts are the way to go. Maybe dark grey or something.

HEISENPUG - May 31, 2021, 6:41 pm

I have the same style as you, I have a dark blue chinos and a white shirt. This clothing style is very simple and you can go everywhere with it.

Shrooms - May 31, 2021, 11:58 pm

I literally couldn't tell you what "style" I wear. I guess comfy casual clothes all the time

sweatpants - June 1, 2021, 12:04 am

I personally prefer looking like a crackhead whenever I go out.. I'm always wearing a hoodie and some custom jean shorts I've made. Only wear pants when working outside, or at my job

Connected - June 1, 2021, 4:55 am

I switch it up a lot. I can do casual, formal, hypebeast, skater, emo/goth, etc. Just depends on my mood and what I am doing.

Beherit - June 1, 2021, 6:11 am

I use to rock some slim cargo pants and henley shirts in college. Nowadays, shorts and t shirt for the errands, jeans and v necks/henleys for the restaurants, and depends where else I go regarding attire.

Smexy - June 1, 2021, 10:23 am

I wear camo, not the army kind of camo/green but Green kaki camo :D

Maskin - June 1, 2021, 12:25 pm

I have a pretty casual style, I like brands like Gant, Polo, Morris. My winter clothing sucks, I feel nothing fits me that well. But my summer style is much better, imo.

Malthemar - June 1, 2021, 12:32 pm

Doc Marten 1460s, jeans and a flannel shirt.

2 rings, one on my pinky (left) and one on my ring finger (right).

Daith piercing in my left ear.

ghostboy - June 4, 2021, 7:10 pm

I try to avoid name brands unless it comes to my shoes/work boots. I'm not usually to picky as long as it doesn't look trashy.

??? - June 4, 2021, 8:53 pm

I'm actually heavy into fashion, as I model I get a lot of clothes so I get to switch it up. Super refreshing.

ATM, streetwear, and biz casual.

Meow - June 5, 2021, 9:46 am

Casual; jeans, t-shirts, sweatshirts, polo sometimes, basic stuff like that.

Beherit - June 5, 2021, 9:57 am

Coin- - June 10, 2021, 6:51 pm
