Thread: [Logan Paul vs Mayweather.](#)

Mr. Robot - June 6, 2021, 2:15 pm

Both pieces of shit, but here's your chance to get your poll in early.

Their fight wont be for like 4-5 hours from now.

I'm gonna be real - I think mayweather will win, but I actually want to see Logan win, fairly and legitimately. It will mean it was a great fight and give future content.

SIM-3749878 - June 6, 2021, 2:21 pm

Anyone got link to stream? Logan will be fucked up just like his brother was.

Calibur - June 6, 2021, 2:23 pm

Quote:Both pieces of shit Mayweather. He would definitely just dance around this shit.

FaberCastell - June 6, 2021, 2:28 pm

I would say Mayweather, but currently Logan is priced at 5% odds of winning which i think is way too low, unless he really gets KOd straight away

metamorphosis - June 6, 2021, 2:35 pm

If Mayweather loses, I will just be disappointed lol

SpotnikSignal - June 6, 2021, 2:43 pm

Although I hate Mayweather, I still hope he beats the shit out of him.

SIM-3205632 - June 6, 2021, 2:48 pm

If %ayweather plays on points he will win like always. If he plays on hits then Logan will win.

There will be plenty available when it's up - just use reddit.

Don't post links on HF or you'll get a warning.

Justace - June 6, 2021, 3:22 pm

If there is no manipulation, Mayweather should win easily.

A Nobody - June 6, 2021, 3:32 pm

Anybody who picks Logan to win is a joke lol

(Jun 6, 2021 03:32 PM)A Nobody Wrote: [\[CITE\]](#) Anybody who picks Logan to win is a joke lol I think if Logan was 6'6 and 95kg+ i'd throw a bet on him and feel "slightly" confident - but nah not as it stands, i'd say there's a "chance" as with anything but very unlikely.

Lilith - June 6, 2021, 3:53 pm

Mayweather wins it hands down but on the off chance Logan somehow pulls one out, I've got \$100 on him. The odds are too ridiculous to pass up. I'm fine paying \$100 to see Mayweather beat the everliving shit out of Logan too.

Mr. Robot - June 6, 2021, 3:55 pm

(Jun 6, 2021 03:50 PM)Davkul Wrote: [\[CITE\]](#) I want to see Logan win just for the memes, but to be fair he's pretty weak, I unironically feel like his brother Jake is a better boxer than Logan is, which should tell you enough. That being said, Mayweather is a little man, his punches are powerful but he is a little man compared to Logan, they're simply built different so I think it isn't a fair match from both sides, if this were MMA I would have said "yeah he's smaller, and so what" cause the ability to kick does give a lot of advantage in those circumstances, just think about the MMA match between Cro Cop and that asian 7 foot giant whose name I forgot. So yeah Logan Paul actually stands more than a chance.

To be honest, only reason i'm watching is to warm up for September where Eddie Hall is fighting Hafthor.

Redwall - June 6, 2021, 3:58 pm

Mayweather about to pack him up like a box

TB12 - June 6, 2021, 4:34 pm

Mayweather easily, I can see why they'd have no judges scoring Paul is going to get spanked

V?rt - June 6, 2021, 5:45 pm

I think Mayweather will win, but honest, Logan is a big guy. If Mayweather REALLY underestimates him and lets Logan get one good swing in, he can knock him out so there's a chance that happens. Either way, I don't see Mayweather knocking Logan out, so either way it's an L and embarrassing for him. Collecting that check though.

Im sure logan is taking the dub, only for the fact the match doesn't count. Mayweather can bet against the odds and make a bank.

Eight rounds of Logan holding to kill time after getting exhausted in a round and a half. Wild.

That shit was intense. Wish there was less holding, but oh well. Would've really loved to see Logan eat shit lmao

Mayweather killed him on stats. Was a lot of hugging though. They each made bank really Mayweather. Wish it would of been 12 rounds.

I would say 5 to 3 in Logans favor. Even though I dislike him, I think he won.

There's no official result. Nobody wins, although it was obvious Mayweather did better, and they still do the fight stats, which they showed at some point after the fight ended. Floyd was waaay ahead.

Don't be condescending. I don't expect for someone to spend 95% of the match hugging their opponent when they're clearly the larger party to begin with. But I guess I did feel it was a meme to start, so I am not too surprised. I still believe it was stupid though. And elaborate ??? 5 to 3 in Logan's favor? Or are you trolling?

Tyr - June 6, 2021, 9:38 pm

Lolz, saw this thread was a poll and instantly knew that the majority would choose Mayweather before casting my vote. Surprised at the amount of people who are going with Logan on this one...

Beherit - June 6, 2021, 10:20 pm

I heard Logan got tired from the fourth round and was just hugging at that point.

Mr. Robot - June 7, 2021, 12:20 am

It's very clear to see there are many people in here who wish to backseat box - clinching is a very common technique and is required to keep Mayweather away from Logan so Logan can use his advantages.

So yes, I think 5 - 3 in Logans favor, he used the tools around him and utilized them well. He kept the same speed as Mayweather by the 8th, and even Mayweather had to comment on his stamina due to throwing nearly 3x as many shots and still keeping up with the pro.

Anyone who thinks the fight was even or fixed - fair game but anyone who thinks "MaYwEaThEr ClEaRIY wOn" is just another dork who can't look past their own nose.

If you want want to argue "Mayweather wasn't at his best" - fair game. He still chose to hop in the ring regardless and before the fight commented that age, size and weight don't matter - he's confident he'll beat him through skill because fighting is all that matters.

If you watched the broadcast, the first thing Mayweather did after was comment on his age and how "he can still run around with these 20 year olds"
