? Caligio's E-Whoring Packs ?

Hello and welcome to Caligio's E-Whoring Pack shop. Here you'll find high-quality packs that won't be saturated, won't run out of content quickly and will make your money back in no time!

????????????????????

Why should you buy from me?

????????????????????

Packs are well organized, high quality, and optimized for Snapchat E-Whoring (can be used for KIK as well)

I've been active in the e-whoring community for over 5 years, thus I'm confident that I know what YOU need!

Each pack will have limited copies that will be sold in order to prevent saturation.

With each pack you also get instructions on how to fake hand-sign on paper.

Pack #1 - Amy

[Preview #1](#) | [Preview #2](#) | [Preview #3](#) | [Paper Verification](#) | [Folders](#)

1321 Pictures & 97 Videos

This pack is great! You have everything you need in order to run an account for a while. There are two different paper verification pictures, that are absolutely enough to convince people you're real. 54 out of the 97 videos are over 1 minute and they range to being up to 10 minutes long. I didn't want to cut them into 10-second pieces just so I could tell you that there are 500+ videos, however, I will share the apps I use to split videos in no time.

The pack has a solo, boy & girl, and girl & girl content which is great since you're going to be able to satisfy many people. In addition to that, there are few sets, that can be used for milking (especially the public set) I'm sure you'll make your money back in no time.

Price for Amy - 65\$ BTC/LTC/ETH (& Other Crypto's)

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
