FIRST OFF 1 MONTH RESULTS:

Communication: 10 / 10

- Giin is amazing with communications and replies quickly. Will check on you constantly and will hold your hand all the way through!

Quality: 10 / 10

- I have spent thousands of dollars on many Youtubers and other crappy fake wanna be good ass gurus. This guys method is amazing and the fact he guides you till you succeed speaks thousands. He needs to be charging \$1000 - \$2000 for something like this. My store HAS FOUND A WINNING PRODUCT because of him and me working together and we are about to begin to start scaling this product to become much bigger. This is a huge life changer in the making ready to happen just off a \$600 investment I made into myself. I am very pleased to say this is the BEST method / knowledge I have EVER GOT off this website.

1. This is knowledge and skills FOR LIFE.

2. I EXPECT BIG THINGS FROM THIS

Investment:

- BUDGET: \$200 - \$300 PER DAY
- We did advertise a bit via Facebook and Pinterest but the winner was found n Facebook.
- STORE AVERAGE SALES AT THIS POINT (Last 4 DAYS: \$600 - \$900) DAILY
- The numbers did not truly start exploding more till end of this month with discovery of new product.

THIS
METHOD
IS
FUC*ING
WORTH
IT
!!!!

What you need as a buyer:

1. Patience
2. LISTEN TO THE SELLERS DIRECTIONS AND FOLLOW THEM TO A TEE.
3. DO NOT QUESTION HIS KNOWLEDGE.

I just got my first sell today on my shopify store with my google shopping free traffic, OP is so helpful and we talk everyday on discord. He was working with me for a week now and I'm so happy to see results and I'm looking forward to lunch my ads soon and scale!

I highly recommend OP mentorship! If you wanna build a long term business using his tricks and knowledge.

Updates after a month:

After working with OP for almost a month right now, we got a decent revenue with \$575 ad spend.

OP have been so patient and helpful with me as beginner I recommend everyone who's new or advanced to take this life changing opportunity.

Your post mentions you making \$300/\$500 a day "Consistently" but based on the first screenshot which has a timespan of 18 days, you managed to generate an average of \$134 per day, which is pretty far off from your \$300/\$500 a day claim. In your second picture, it gets a little better with an average of \$191 a day, over a 6 day timespan which is a bit better... but still isn't your advertised "\$300/\$500" per day claim. I don't think based on the results/screenshots provided you're qualified to be selling a mentorship. Also, Facebook Ads do work, and very well. My D2C-focused agency manages around \$300K a month in adspend and on average generate 2.5-4.5x ROAS (Return on Adspend), and I won't even get into our re-targeting campaigns, those usually see 8-15x ROAS for us on Facebook. I'd keep perfecting your ad management skills both on Google and Facebook if I were you before offering this service.

Thank you for the opportunity to explain more, As you can see this is a brand new store started in April 2021 And it's still in the testing phase I spent almost nothing on ads and it's generating sales consistently everyday! I don't think someone on the internet is selling the exact steps how to built a

business model from A to Z using google shopping with my prices. And as you know or may not know a business model is for a lifetime not like Facebook if your product is saturated you're done! You spend \$300k on Facebook ads in some broad interest, if you know google shopping and what I'm talking about you'll see some insane result with your \$300k adspend on Google far bigger than x15 that you're claiming. My skills are on the top and if you have any questions about my skills let me know I'm open to answer all your questions if you're interested. Thanks mate!

I have purchased one of the spots off of OP and here is my experience thus far.

I am currently creating my website and setting up the products and Giin's is extremely helpful. He is answering every question I have (which is a lot as I have no prior experience) and doing it promptly.

This is just my initial review of him and once I have finished my website and began to advertise and gain orders, I will update the progress.

Thanks!

Update, the seller has scammed me and ran with my money.

Just playing. Got the payments setup and waiting on final instruction, this is where we hope to have a greatly successful launch and I expect some great ass results. The seller is EXTREMELY GOOD at communication, he does get busy but he will get back to you and when he is online he replies in minutes. So again that is a VERY good sign in my eyes as I am seller myself and see communication to be key.

Hopefully next update is my final vouch and approval and some pictures of sales!

Stay tuned.

FINAL REVIEW BY iREFuSe2LoSe!!!!

FIRST OFF 1 MONTH RESULTS:

Communication: 10 / 10

- Giin is amazing with communications and replies quickly. Will check on you constantly and will hold your hand all the way through!

Quality: 10 / 10

- I have spent thousands of dollars on many Youtubers and other crappy fake wanna be good ass gurus. This guys method is amzing and the fact he guides you till you succeed speaks thousands. He needs to be charging \$1000 - \$2000 for something like this. My store HAS FOUND A WINNING PRODUCT because of him and me working together and we are about to begin to start scaling this product to become much bigger. This is a huge life changer in the making ready to happen just off a \$600 investment I made into myself. I am very pleased to say this is the BEST method / knowledge I have EVER GOT off this website.

1. This is knowledge and skills FOR LIFE.

2. I EXPECT BIG THINGS FROM THIS

Investment:

- BUDGET: \$200 - \$300 PER DAY
- We did advertise a bit via Facebook and Pinterest but the winner was found n Facebook.
- STORE AVERAGE SALES AT THIS POINT (Last 4 DAYS: \$600 - \$900) DAILY
- The numbers did not truly start exploding more till end of this month with discovery of new product.

THIS
METHOD
IS
FUC*ING
WORTH
IT
!!!!

What you need as a buyer:

1. Patience
2. LISTEN TO THE SELLERS DIRECTIONS AND FOLLOW THEM TO A TEE.
3. DO NOT QUESTION HIS KNOWLEDGE.

(Jun 10, 2021 05:31 PM)ShopifyExpert Wrote: [\[CITE\]](#) Your post mentions you making \$300/\$500 a day "Consistently" but based on the first screenshot which has a timespan of 18 days, you managed to generate an average of \$134 per day, which is pretty far off from your \$300/\$500 a day claim. In your second picture, it gets a little better with an average of \$191 a day, over a 6 day timespan which is a bit better... but still isn't your advertised "\$300/\$500" per day claim. I don't think based on the results/screenshots provided you're qualified to be selling a mentorship. Also, Facebook Ads do work, and very well. My D2C-focused agency manages around \$300K a month in adspend and on average generate 2.5-4.5x ROAS (Return on Adspend), and I won't even get into our re-targeting campaigns, those usually see 8-15x ROAS for us on Facebook. I'd keep perfecting your ad management skills both on Google and Facebook if I were you before offering this service.
