Discoboy - June 10, 2021, 7:30 am

Hey guys!

If u are still doing Ewhoring or gave up doing this and looking for a steady income, this offer is for you!

What you need to do:

All u have to do is Chatting with customers and sell them hot content on chat. it is same as Ewhoring but works a lot better.

You can take a few models at the same time and manage chatting and sales for 2-3 models or you can choose 1 model.

PAYOUT IS >>> 15% - 25% revshare out of paid messages and tips (% depends on the amount of \$\$\$ you can generate).

You can earn 4k \$\$\$ a month easily if u work hard.

If u are interested please DM, thank you.

I have onlyfans promo account with over 500 subs. Wife has paid OF top3% and a couple's page is in the making. If this can be any help. New to this site but have plenty of experience on OF.
