Hey, wouldn't mind testing this out will this work with an existing tiktok account or does it need to be new in a specific Niche?

Cheers,

Def would remove "I'm only 15!". You don't want to advertise ignorance.

Tips that might help you getting some sales;

< Contact a few members that already do TikTok. Offer them to help them (vouch copy)
< Show us your "stats", like a few images of your viral TikToks, perhaps followers or whatever to engage too

My respect for your hustle at a young age. My teen years didn't involve around technology that much, but that's a huge advantage that "todays kids" got.
Keep it up man!
