Thread: [\\$5 if you can beat me in Chess](#)

Raymond "Red" Reddington - June 11, 2021, 5:43 am

Always been curious about whether HF has some strong chess players. :)

We'll play on Chess.com

Time format: Blitz (5 minutes + 5 sec increment per move)

If you draw or lose you get nothing.

If you want to take your shot, just post here and I'll send you the challenge link to start the game.

[Raymond "Red" Reddington](#) you're up for a quick game?

I like that you're willing to pay people who beat you. Makes them play better and push to be better I'm sure.
