Hi

So I have this Girl with an Onlyfans she has following on Twitter and verified on Reddit channels

You cannot use her for Ewhoring or anything illegal !

You'll provide her growth to her Onlyfans and take a cut from the revenue

Model is Pretty Chil she can Do Content Request and Provide you stuff

She doesn't need any sort payment or anything in return, you can ask for the revenue share how much you want and we can talk and finalize this

She has a Verified Onlyfans with Earnings and some fans, Twitter, Reddit

Will accept a Middleman for this Deal

If anyone is interested to know more, hit me up.

I made a post on reddit explaining how to launder money using models and use them for lots of money and a fuck ton of prostitutes from r/SexWorkersOnly started harrassing me, jokes on them they are all poor as shit living on food stamps and crying on reddit about abusive pimps.

I can easily provide enough growth to her OF, but what does the middleman do? Wait till I get my cut? or does the MM wait till you send me her 'contact'? What guarantee is there that 'she' gives me my cut?

There'd be a contract of this stating it and you'll both have access to the account

The mm holds till I talk you out to her set you up

Again what does the mm have to do with this and what guarantee is there that you hold up to the contract, MM in my opinion as no power in this case, your not giving him anything to hold, he as no access to the OF we are boosting or does he?

? DEAL WITH CAUTION ? with this seller, aka Airborne#0905 in discord :

First, he isnt professional at all, first he asked 200\$ for broker fees, and then 250\$ 5 min later ?

Second, he refuse that the middleman hold the money for 1 week, so it sounds like just give me a shitty contact to only fans girl without guarantee she will work for you.

If I pay 200\$, it's to have a the waranty we will work something out. If I just want to talk to OF models, I can just make a simply # onlyfans research on instagram.
