I feel so honored to be the first to say thanks. All of my hard work and dedication has paid off. Getting the first comment has been a dream of mine for many years, and I would like to thank those who have helped me along the way. First and foremost i would like to thank god for giving me this opportunity. Next i would like to thank my parents. I want to thank my friend Peter Griffin for being really skinny and always there for me. I would also like to thank my pet tadpole for surviving against all odds for over a week. Next i would like to thank the squirrel that lives in my backyard for climbing trees because that gives me inspiration that i need to get through the day. This is a special moment in my life and i would like to thank any of my unmentioned friends and family that have helped me along the way. This moment will be a moment that I will never forget. I just remembered a few other people i would like to thank; Abraham Lincoln, the fish I caught in the third grade, my light in my room because i wouldn't be able to see the keyboard without it, the internet for letting me go on the bodybuilding forums, my house because without it i would be homeless, and last but not least i would like to thank all the people out there that actually took time out of their day to read this. I cannot stress how much of a big deal to me this is. I have been trying to be the first on a post for years, but that has not been possible until this amazing day. Hopefully my good luck will continue, but this is undoubtedly a rare occasion. If you asked me how I did this, I would say, you can achieve anything u set your mind on. To all the kids out there reading this, I would like to tell them to follow their dreams. Being the first is truly amazing, thank you everyone

Posting as is requested per the title.

To be, or not to be, that is the question:
Whether 'tis nobler in the mind to suffer
The slings and arrows of outrageous fortune,
Or to take arms against a sea of troubles
And by opposing end them. To die—to sleep,
No more; and by a sleep to say we end
The heart-ache and the thousand natural shocks

That flesh is heir to: 'tis a consummation
Devoutly to be wish'd. To die, to sleep;
To sleep, perchance to dream—ay, there's the rub:
For in that sleep of death what dreams may come,
When we have shuffled off this mortal coil,
Must give us pause—there's the respect
That makes calamity of so long life.
For who would bear the whips and scorns of time,
Th'oppressor's wrong, the proud man's contumely,
The pangs of dispriz'd love, the law's delay,
The insolence of office, and the spurns
That patient merit of th'unworthy takes,
When he himself might his quietus make
With a bare bodkin? Who would fardels bear,
To grunt and sweat under a weary life,
But that the dread of something after death,
The undiscover'd country, from whose bourn
No traveller returns, puzzles the will,
And makes us rather bear those ills we have
Than fly to others that we know not of?
Thus conscience doth make cowards of us all,
And thus the native hue of resolution
Is sicklied o'er with the pale cast of thought,
And enterprises of great pith and moment
With this regard their currents turn awry
And lose the name of action.

Spoiler ([Click to View](#))

According to all known laws of aviation, there is no way a bee should be able to fly.
Its wings are too small to get its fat little body off the ground.
The bee, of course, flies anyway because bees don't care what humans think is impossible.
Yellow, black. Yellow, black. Yellow, black. Yellow, black.
Ooh, black and yellow!
Let's shake it up a little.
Barry! Breakfast is ready!

Coming!
Hang on a second.
Hello?
Barry?
Adam?
Can you believe this is happening?
I can't.
I'll pick you up.
Looking sharp.
Use the stairs, Your father paid good money for those.
Sorry. I'm excited.
Here's the graduate.
We're very proud of you, son.
A perfect report card, all B's.
Very proud.
Ma! I got a thing going here.
You got lint on your fuzz.
Ow! That's me!
Wave to us! We'll be in row 118,000.
Bye!
Barry, I told you, stop flying in the house!
Hey, Adam.
Hey, Barry.
Is that fuzz gel?
A little. Special day, graduation.
Never thought I'd make it.
Three days grade school, three days high school.
Those were awkward.
Three days college. I'm glad I took a day and hitchhiked around The Hive.
You did come back different.
Hi, Barry. Artie, growing a mustache? Looks good.
Hear about Frankie?
Yeah.
You going to the funeral?
No, I'm not going.
Everybody knows, sting someone, you die.
Don't waste it on a squirrel.
Such a hothead.
I guess he could have just gotten out of the way.
I love this incorporating an amusement park into our day.
That's why we don't need vacations.
Boy, quite a bit of pomp under the circumstances.
Well, Adam, today we are men.
We are!
Bee-men.
Amen!
Hallelujah!
Students, faculty, distinguished bees,
please welcome Dean Buzzwell.
Welcome, New Hive City graduating class of 9:15.
That concludes our ceremonies And begins your career at Honex Industries!
Will we pick our job today?
I heard it's just orientation.

Heads up! Here we go.

Keep your hands and antennas inside the tram at all times.

Wonder what it'll be like?

A little scary.

Welcome to Honex, a division of Honesco and a part of the Hexagon Group.

This is it!

Wow.

Wow.

We know that you, as a bee, have worked your whole life to get to the point where you can work for your whole life.

Honey begins when our valiant Pollen Jocks bring the nectar to The Hive.

Our top-secret formula is automatically color-corrected, scent-adjusted and bubble-contoured into this soothing sweet syrup with its distinctive golden glow you know as... Honey!

That girl was hot.

She's my cousin!

She is?

Yes, we're all cousins.

Right. You're right.

At Honex, we constantly strive to improve every aspect of bee existence.

These bees are stress-testing a new helmet technology.

What do you think he makes?

Not enough.

Here we have our latest advancement, the Krelman.

What does that do?

Catches that little strand of honey that hangs after you pour it.

Saves us millions.

Can anyone work on the Krelman?

Of course. Most bee jobs are small ones.

But bees know that every small job, if it's done well, means a lot.

But choose carefully because you'll stay in the job you pick for the rest of your life.

The same job the rest of your life? I didn't know that.

What's the difference?

You'll be happy to know that bees, as a species, haven't had one day off in 27 million years.

So you'll just work us to death?

We'll sure try.

Wow! That blew my mind!

"What's the difference?"

How can you say that?

One job forever?

That's an insane choice to have to make.

I'm relieved. Now we only have to make one decision in life.

But, Adam, how could they never have told us that?

Why would you question anything? We're bees.

We're the most perfectly functioning society on Earth.

You ever think maybe things work a little too well here?

Like what? Give me one example.

I don't know. But you know what I'm talking about.

Please clear the gate. Royal Nectar Force on approach.

Wait a second. Check it out.

Hey, those are Pollen Jocks!

Wow.

I've never seen them this close.

They know what it's like outside The Hive.

Yeah, but some don't come back.
Hey, Jocks!
Hi, Jocks!
You guys did great!
You're monsters!
You're sky freaks! I love it! I love it!
I wonder where they were.
I don't know.
Their day's not planned.
Outside The Hive, flying who knows where, doing who knows what.
You can't just decide to be a Pollen Jock. You have to be bred for that.
Right.
Look. That's more pollen than you and I will see in a lifetime.
It's just a status symbol.
Bees make too much of it.
Perhaps. Unless you're wearing it and the ladies see you wearing it.
Those ladies?
Aren't they our cousins too?
Distant. Distant.
Look at these two.
Couple of Hive Harrys.
Let's have fun with them.
It must be dangerous being a Pollen Jock.
Yeah. Once a bear pinned me against a mushroom!
He had a paw on my throat, and with the other, he was slapping me!
Oh, my!
I never thought I'd knock him out.
What were you doing during this?
Trying to alert the authorities.
I can autograph that.
A little gusty out there today, wasn't it, comrades?
Yeah. Gusty.
We're hitting a sunflower patch six miles from here tomorrow.
Six miles, huh?
Barry!
A puddle jump for us, but maybe you're not up for it.
Maybe I am.
You are not!
We're going 0900 at J-Gate.
What do you think, buzzy-boy?
Are you bee enough?
I might be. It all depends on what 0900 means.
Hey, Honex!
Dad, you surprised me.
You decide what you're interested in?
Well, there's a lot of choices.
But you only get one.
Do you ever get bored doing the same job every day?
Son, let me tell you about stirring.
You grab that stick, and you just move it around, and you stir it around.
You get yourself into a rhythm.
It's a beautiful thing.
You know, Dad, the more I think about it,

maybe the honey field just isn't right for me.
You were thinking of what, making balloon animals?
That's a bad job for a guy with a stinger.
Janet, your son's not sure he wants to go into honey!
Barry, you are so funny sometimes.
I'm not trying to be funny.
You're not funny! You're going into honey. Our son, the stirrer!
You're gonna be a stirrer?
No one's listening to me!
Wait till you see the sticks I have.
I could say anything right now.
I'm gonna get an ant tattoo!
Let's open some honey and celebrate!
Maybe I'll pierce my thorax. Shave my antennae. Shack up with a grasshopper. Get a gold tooth
and call everybody "dawg"!
I'm so proud.
We're starting work today!
Today's the day.
Come on! All the good jobs will be gone.
Yeah, right.
Pollen counting, stunt bee, pouring, stirrer, front desk, hair removal...
Is it still available?
Hang on. Two left!
One of them's yours! Congratulations!
Step to the side.
What'd you get?
Picking crud out. Stellar!
Wow!
Couple of newbies?
Yes, sir! Our first day! We are ready!
Make your choice.
You want to go first?
No, you go.
Oh, my. What's available?
Restroom attendant's open, not for the reason you think.
Any chance of getting the Krelman?
Sure, you're on.
I'm sorry, the Krelman just closed out.
Wax monkey's always open.
The Krelman opened up again.
What happened?
A bee died. Makes an opening. See? He's dead. Another dead one.
Dead. Deadified. Two more dead.
Dead from the neck up. Dead from the neck down. That's life!
Oh, this is so hard!
Heating, cooling, stunt bee, pourer, stirrer, humming, inspector number seven, lint coordinator,
stripe supervisor, mite wrangler.
Barry, what do you think I should... Barry?
Barry!
All right, we've got the sunflower patch in quadrant nine...
What happened to you?
Where are you?
I'm going out.

Out? Out where?
Out there.
Oh, no!
I have to, before I go to work for the rest of my life.
You're gonna die! You're crazy! Hello?
Another call coming in.
If anyone's feeling brave, there's a Korean deli on 83rd that gets their roses today.
Hey, guys.
Look at that.
Isn't that the kid we saw yesterday?
Hold it, son, flight deck's restricted.
It's OK, Lou. We're gonna take him up.
Really? Feeling lucky, are you?
Sign here, here. Just initial that.
Thank you.
OK.
You got a rain advisory today, and as you all know, bees cannot fly in rain.
So be careful. As always, watch your brooms, hockey sticks, dogs, birds, bears and bats.
Also, I got a couple of reports of root beer being poured on us.
Murphy's in a home because of it, babbling like a cicada!
That's awful.
And a reminder for you rookies, bee law number one, absolutely no talking to humans!
All right, launch positions!
Buzz, buzz, buzz, buzz! Buzz, buzz, buzz, buzz! Buzz, buzz, buzz, buzz!
Black and yellow!
Hello!
You ready for this, hot shot?
Yeah. Yeah, bring it on.
Wind, check.
Antennae, check.
Nectar pack, check.
Wings, check.
Stinger, check.
Scared out of my shorts, check.
OK, ladies,
let's move it out!
Pound those petunias, you striped stem-suckers!
All of you, drain those flowers!
Wow! I'm out!
I can't believe I'm out!
So blue.
I feel so fast and free!
Box kite!
Wow!
Flowers!
This is Blue Leader, We have roses visual.
Bring it around 30 degrees and hold.
Roses!
30 degrees, roger. Bringing it around.
Stand to the side, kid.
It's got a bit of a kick.
That is one nectar collector!
Ever see pollination up close?

No, sir.

I pick up some pollen here, sprinkle it over here. Maybe a dash over there, a pinch on that one.

See that? It's a little bit of magic.

That's amazing. Why do we do that?

That's pollen power. More pollen, more flowers, more nectar, more honey for us.

Cool.

I'm picking up a lot of bright yellow, Could be daisies, Don't we need those?

Copy that visual.

Wait. One of these flowers seems to be on the move.

Say again? You're reporting a moving flower?

Affirmative.

That was on the line!

This is the coolest. What is it?

I don't know, but I'm loving this color.

It smells good.

Not like a flower, but I like it.

Yeah, fuzzy.

Chemical-y.

Careful, guys. It's a little grabby.

My sweet lord of bees!

Candy-brain, get off there!

Problem!

Guys!

This could be bad.

Affirmative.

Very close.

Gonna hurt.

Mama's little boy.

You are way out of position, rookie!

Coming in at you like a missile!

Help me!

I don't think these are flowers.

Should we tell him?

I think he knows.

What is this?!

Match point!

You can start packing up, honey, because you're about to eat it!

Yowser!

Gross.

There's a bee in the car!

Do something!

I'm driving!

Hi, bee.

He's back here!

He's going to sting me!

Nobody move. If you don't move, he won't sting you. Freeze!

He blinked!

Spray him, Granny!

What are you doing?!

Wow... the tension level out here is unbelievable.

I gotta get home.

Can't fly in rain. Can't fly in rain. Can't fly in rain.

Mayday! Mayday! Bee going down!

Ken, could you close the window please?
Ken, could you close the window please?
Check out my new resume. I made it into a fold-out brochure. You see? Folds out.
Oh, no. More humans. I don't need this.
What was that?
Maybe this time. This time. This time. This time! This time! This... Drapes!
That is diabolical.
It's fantastic. It's got all my special skills, even my top-ten favorite movies.
What's number one? Star Wars?
Nah, I don't go for that... kind of stuff.
No wonder we shouldn't talk to them. They're out of their minds.
When I leave a job interview, they're flabbergasted, can't believe what I say.
There's the sun. Maybe that's a way out.
I don't remember the sun having a big 75 on it.
I predicted global warming. I could feel it getting hotter. At first I thought it was just me.
Wait! Stop! Bee!
Stand back. These are winter boots.
Wait!
Don't kill him!
You know I'm allergic to them! This thing could kill me!
Why does his life have less value than yours?
Why does his life have any less value than mine? Is that your statement?
I'm just saying all life has value. You don't know what he's capable of feeling.
My brochure!
There you go, little guy.
I'm not scared of him. It's an allergic thing.
Put that on your resume brochure.
My whole face could puff up.
Make it one of your special skills.
Knocking someone out is also a special skill.
Right. Bye, Vanessa. Thanks.
Vanessa, next week? Yogurt night?
Sure, Ken. You know, whatever.
You could put carob chips on there.
Bye.
Supposed to be less calories.
Bye.
I gotta say something. She saved my life. I gotta say something.
All right, here it goes.
Nah.
What would I say?
I could really get in trouble. It's a bee law. You're not supposed to talk to a human.
I can't believe I'm doing this. I've got to.
Oh, I can't do it. Come on!
No. Yes. No. Do it. I can't.
How should I start it? "You like jazz?" No, that's no good.
Here she comes! Speak, you fool!
Hi!
I'm sorry. You're talking.
Yes, I know.
You're talking!
I'm so sorry.
No, it's OK. It's fine.

I know I'm dreaming. But I don't recall going to bed.
Well, I'm sure this is very disconcerting.
This is a bit of a surprise to me. I mean, you're a bee!
I am. And I'm not supposed to be doing this, but they were all trying to kill me.
And if it wasn't for you... I had to thank you. It's just how I was raised.
That was a little weird. I'm talking with a bee.
Yeah.
I'm talking to a bee. And the bee is talking to me!
I just want to say I'm grateful.
I'll leave now.
Wait! How did you learn to do that?
What?
The talking thing.
Same way you did, I guess. "Mama, Dada, honey." You pick it up.
That's very funny.
Yeah.
Bees are funny. If we didn't laugh, we'd cry with what we have to deal with.
Anyway... Can I... get you something?
Like what?
I don't know. I mean... I don't know. Coffee?
I don't want to put you out.
It's no trouble. It takes two minutes.
It's just coffee.
I hate to impose.
Don't be ridiculous!
Actually, I would love a cup.
Hey, you want rum cake?
I shouldn't.
Have some.
No, I can't.
Come on!
I'm trying to lose a couple micrograms.
Where?
These stripes don't help.
You look great!
I don't know if you know anything about fashion.
Are you all right?
No.
He's making the tie in the cab as they're flying up Madison.
He finally gets there.
He runs up the steps into the church.
The wedding is on.
And he says, "Watermelon?"
I thought you said Guatemalan.
Why would I marry a watermelon?"
Is that a bee joke?
That's the kind of stuff we do.
Yeah, different.
So, what are you gonna do, Barry?
About work? I don't know.
I want to do my part for The Hive, but I can't do it the way they want.
I know how you feel.
You do?

Sure.

My parents wanted me to be a lawyer or a doctor, but I wanted to be a florist.

Really?

My only interest is flowers.

Our new queen was just elected with that same campaign slogan.

Anyway, if you look... There's my hive right there. See it?

You're in Sheep Meadow!

Yes! I'm right off the Turtle Pond!

No way! I know that area. I lost a toe ring there once.

Why do girls put rings on their toes?

Why not?

It's like putting a hat on your knee.

Maybe I'll try that.

You all right, ma'am?

Oh, yeah. Fine.

Just having two cups of coffee!

Anyway, this has been great.

Thanks for the coffee.

Yeah, it's no trouble.

Sorry I couldn't finish it. If I did, I'd be up the rest of my life.

Are you...?

Can I take a piece of this with me?

Sure! Here, have a crumb.

Thanks!

Yeah.

All right. Well, then... I guess I'll see you around. Or not.

OK, Barry.

And thank you so much again... for before.

Oh, that? That was nothing.

Well, not nothing, but... Anyway...

This can't possibly work.

He's all set to go.

We may as well try it.

OK, Dave, pull the chute.

Sounds amazing.

It was amazing!

It was the scariest, happiest moment of my life.

Humans! I can't believe you were with humans!

Giant, scary humans!

What were they like?

Huge and crazy. They talk crazy.

They eat crazy giant things.

They drive crazy.

Do they try and kill you, like on TV?

Some of them. But some of them don't.

How'd you get back?

Poodle.

You did it, and I'm glad. You saw whatever you wanted to see.

You had your "experience." Now you can pick out your job and be normal.

Well...

Well?

Well, I met someone.

You did? Was she Bee-ish?

A wasp?! Your parents will kill you!
No, no, no, not a wasp.
Spider?
I'm not attracted to spiders.
I know it's the hottest thing, with the eight legs and all. I can't get by that face.
So who is she?
She's... human.
No, no. That's a bee law. You wouldn't break a bee law.
Her name's Vanessa.
Oh, boy.
She's so nice. And she's a florist!
Oh, no! You're dating a human florist!
We're not dating.
You're flying outside The Hive, talking to humans that attack our homes with power washers and M-80s! One-eighth a stick of dynamite!
She saved my life! And she understands me.
This is over!
Eat this.
This is not over! What was that?
They call it a crumb.
It was so stingin' stripey!
And that's not what they eat.
That's what falls off what they eat!
You know what a Cinnabon is?
No.
It's bread and cinnamon and frosting. They heat it up...
Sit down!
...really hot!
Listen to me!
We are not them! We're us.
There's us and there's them!
Yes, but who can deny the heart that is yearning?
There's no yearning. Stop yearning. Listen to me!
You have got to start thinking bee, my friend. Thinking bee!
Thinking bee.
Thinking bee.
Thinking bee! Thinking bee! Thinking bee! Thinking bee!
There he is. He's in the pool.
You know what your problem is, Barry?
I gotta start thinking bee?
How much longer will this go on?
It's been three days! Why aren't you working?
I've got a lot of big life decisions to think about.
What life? You have no life!
You have no job. You're barely a bee!
Would it kill you to make a little honey?
Barry, come out. Your father's talking to you.
Martin, would you talk to him?
Barry, I'm talking to you!
You coming?
Got everything?
All set!
Go ahead. I'll catch up.

Don't be too long.
Watch this!
Vanessa!
We're still here.
I told you not to yell at him.
He doesn't respond to yelling!
Then why yell at me?
Because you don't listen!
I'm not listening to this.
Sorry, I've gotta go.
Where are you going?
I'm meeting a friend.
A girl? Is this why you can't decide?
Bye.
I just hope she's Bee-ish.
They have a huge parade of flowers every year in Pasadena?
To be in the Tournament of Roses, that's every florist's dream!
Up on a float, surrounded by flowers, crowds cheering.
A tournament. Do the roses compete in athletic events?
No. All right, I've got one.
How come you don't fly everywhere?
It's exhausting. Why don't you run everywhere? It's faster.
Yeah, OK, I see, I see.
All right, your turn.
TiVo. You can just freeze live TV? That's insane!
You don't have that?
We have Hivo, but it's a disease. It's a horrible, horrible disease.
Oh, my.
Dumb bees!
You must want to sting all those jerks.
We try not to sting. It's usually fatal for us.
So you have to watch your temper.
Very carefully.
You kick a wall, take a walk, write an angry letter and throw it out. Work through it like any emotion:
Anger, jealousy, lust.
Oh, my goodness! Are you OK?
Yeah.
What is wrong with you?!
It's a bug.
He's not bothering anybody.
Get out of here, you creep!
What was that? A Pic 'N' Save circular?
Yeah, it was. How did you know?
It felt like about 10 pages. Seventy-five is pretty much our limit.
You've really got that down to a science.
I lost a cousin to Italian Vogue.
I'll bet.
What in the name of Mighty Hercules is this?
How did this get here? cute Bee, Golden Blossom, Ray Liotta Private Select?
Is he that actor?
I never heard of him.
Why is this here?
For people. We eat it.

You don't have enough food of your own?

Well, yes.

How do you get it?

Bees make it.

I know who makes it! And it's hard to make it!

There's heating, cooling, stirring. You need a whole Krelman thing!

It's organic.

It's our-ganic!

It's just honey, Barry.

Just what?!

Bees don't know about this! This is stealing! A lot of stealing!

You've taken our homes, schools, hospitals! This is all we have!

And it's on sale?! I'm getting to the bottom of this.

I'm getting to the bottom of all of this!

Hey, Hector. You almost done?

Almost.

He is here. I sense it.

Well, I guess I'll go home now and just leave this nice honey out, with no one around.

You're busted, box boy!

I knew I heard something.

So you can talk!

I can talk. And now you'll start talking!

Where you getting the sweet stuff? Who's your supplier?

I don't understand.

I thought we were friends.

The last thing we want to do is upset bees!

You're too late! It's ours now!

You, sir, have crossed the wrong sword!

You, sir, will be lunch for my iguana, Ignacio!

Where is the honey coming from? Tell me where!

Honey Farms! It comes from Honey Farms!

Crazy person!

What horrible thing has happened here?

These faces, they never knew what hit them. And now they're on the road to nowhere!

Just keep still.

What? You're not dead?

Do I look dead? They will wipe anything that moves. Where you headed?

To Honey Farms. I am onto something huge here.

I'm going to Alaska. Moose blood, crazy stuff. Blows your head off!

I'm going to Tacoma.

And you?

He really is dead.

All right.

Uh-oh!

What is that?!

Oh, no!

A wiper! Triple blade!

Triple blade?

Jump on! It's your only chance, bee!

Why does everything have to be so doggone clean?!

How much do you people need to see?!

Open your eyes!
Stick your head out the window!
From NPR News in Washington,
I'm Carl Kasell.
But don't kill no more bugs!
Bee!
Moose blood guy!!
You hear something?
Like what?
Like tiny screaming.
Turn off the radio.
Whassup, bee boy?
Hey, Blood.
Just a row of honey jars, as far as the eye could see.
Wow!
I assume wherever this truck goes is where they're getting it. I mean, that honey's ours.
Bees hang tight. We're all jammed in.
It's a close community.
Not us, man. We on our own. Every mosquito on his own.
What if you get in trouble?
You a mosquito, you in trouble. Nobody likes us. They just smack. See a mosquito, smack, smack!
At least you're out in the world. You must meet girls.
Mosquito girls try to trade up, get with a moth, dragonfly. Mosquito girl don't want no mosquito.
You got to be kidding me!
Mooseblood's about to leave the building! So long, bee!
Hey, guys!
Mooseblood!
I knew I'd catch y'all down here.
Did you bring your crazy straw?
We throw it in jars, slap a label on it, and it's pretty much pure profit.
What is this place?
A bee's got a brain the size of a pinhead.
They are pinheads!
Pinhead.
Check out the new smoker.
Oh, sweet. That's the one you want. The Thomas 3000!
Smoker?
Ninety puffs a minute, semi-automatic. Twice the nicotine, all the tar. A couple breaths of this
knocks them right out.
They make the honey, and we make the money.
"They make the honey, and we make the money"?
Oh, my!
What's going on? Are you OK?
Yeah. It doesn't last too long.
Do you know you're in a fake hive with fake walls?
Our queen was moved here. We had no choice.
This is your queen? That's a man in women's clothes! That's a drag queen!
What is this?
Oh, no!
There's hundreds of them!
Bee honey.
Our honey is being brazenly stolen on a massive scale!
This is worse than anything bears have done! I intend to do something.

Oh, Barry, stop.
Who told you humans are taking our honey? That's a rumor.
Do these look like rumors?
That's a conspiracy theory. These are obviously doctored photos. How did you get mixed up in this?
He's been talking to humans.
What? Talking to humans?!
He has a human girlfriend. And they make out!
Make out? Barry!
We do not.
You wish you could.
Whose side are you on?
The bees!
I dated a cricket once in San Antonio. Those crazy legs kept me up all night.
Barry, this is what you want to do with your life?
I want to do it for all our lives. Nobody works harder than bees!
Dad, I remember you coming home so overworked
your hands were still stirring. You couldn't stop.
I remember that.
What right do they have to our honey?
We live on two cups a year. They put it in lip balm for no reason whatsoever!
Even if it's true, what can one bee do?
Sting them where it really hurts.
In the face! The eye!
That would hurt.
No.
Up the nose? That's a killer.
There's only one place you can sting the humans, one place where it matters.
Hive at Five, The Hive's only full-hour action news source.
No more bee beards!

Jeanette Chung.
Good evening. I'm Bob Bumble.
And I'm Jeanette Ohung.
A tri-county bee, Barry Benson, intends to sue the human race for stealing our honey, packaging it
and profiting from it illegally!
Tomorrow night on Bee Larry King, we'll have three former queens here in our studio, discussing
their new book, classy Ladies, out this week on Hexagon.
Tonight we're talking to Barry Benson.
Did you ever think, "I'm a kid from The Hive. I can't do this"?
Bees have never been afraid to change the world.
What about Bee Oolumbus? Bee Gandhi? Bejesus?
Where I'm from, we'd never sue humans.
We were thinking of stickball or candy stores.
How old are you?
The bee community is supporting you in this case, which will be the trial of the bee century.
You know, they have a Larry King in the human world too.
It's a common name. Next week...
He looks like you and has a show and suspenders and colored dots...
Next week...
Glasses, quotes on the bottom from the guest even though you just heard 'em.
Bear Week next week! They're scary, hairy and here live.
Always leans forward, pointy shoulders, squinty eyes, very Jewish.
In tennis, you attack at the point of weakness!

It was my grandmother, Ken. She's 81.
Honey, her backhand's a joke!
I'm not gonna take advantage of that?
Quiet, please.
Actual work going on here.
Is that that same bee?
Yes, it is!
I'm helping him sue the human race.
Hello.
Hello, bee.
This is Ken.
Yeah, I remember you. Timberland, size ten and a half. Vibram sole, I believe.
Why does he talk again?
Listen, you better go 'cause we're really busy working.
But it's our yogurt night!
Bye-bye.
Why is yogurt night so difficult?!
You poor thing. You two have been at this for hours!
Yes, and Adam here has been a huge help.
Frosting...
How many sugars?
Just one. I try not to use the competition.
So why are you helping me?
Bees have good qualities. And it takes my mind off the shop. Instead of flowers, people are giving
balloon bouquets now.
Those are great, if you're three.
And artificial flowers.
Oh, those just get me psychotic!
Yeah, me too.
Bent stingers, pointless pollination.
Bees must

I want to be a part of the test and feel cool.

Doc - June 16, 2021, 12:27 pm

Fuck all asshole who tell me to feel grass. I live in a desert with air pollution from a drying body of water. All I feel is hot dirt, all I smell is dead fish, all I hear are gunshots at night, which is why I love to go outside instead of bitching to weebies that tell weebies to go outside. I'm not a weeb! I know I finished watching anime long ago on YouTube like a weeb but guys I'm not a weeb! Stop saying I am I like 3d girls not 2d pillows that stink of sweat and nut. I exercise lifting a backpack full of books and shit and it do work doe.

According to all known laws of aviation, there is no way a bee should be able to fly. Its wings are too small to get its fat little body off the ground. The bee, of course, flies anyway because bees don't care what humans think is impossible. Yellow, black. Yellow, black. Yellow, black. Yellow, black. Ooh, black and yellow! Let's shake it up a little. Barry! Breakfast is ready! Ooming! Hang on a second. Hello? - Barry? - Adam? - Oan you believe this is happening? - I can't. I'll pick you up. Looking sharp. Use the stairs. Your father paid good money for those. Sorry. I'm excited. Here's the graduate. We're very proud of you, son. A perfect report card, all B's. Very proud. Ma! I got a thing going here. - You got lint on your fuzz. - Ow! That's me! - Wave to us! We'll be in row 118,000. - Bye! Barry, I told you, stop flying in the house! - Hey, Adam. - Hey, Barry. - Is that fuzz gel? - A little. Special day, graduation. Never thought I'd make it. Three days grade school, three days high school. Those were awkward. Three days college. I'm glad I took a day and hitchhiked around the hive. You did come back different. - Hi, Barry. - Artie, growing a mustache? Looks good. - Hear about Frankie? - Yeah. - You going to the funeral? - No, I'm not going. Everybody knows, sting someone, you die. Don't waste it on a squirrel. Such a hothead. I guess he could have just gotten out of the way. I love this incorporating an amusement park into our day. That's why we don't need vacations. Boy, quite a bit of pomp... under the circumstances. - Well, Adam, today we are men. - We are! - Bee-men. - Amen! Hallelujah! Students, faculty, distinguished bees, please welcome Dean Buzzwell. Welcome, New Hive Oity graduating class of... ...9:15. That concludes our ceremonies. And begins your career at Honex Industries! Will we pick ourjob today? I heard it's just orientation. Heads up! Here we go. Keep your hands and antennas inside the tram at all times. - Wonder what it'll be like? - A little scary. Welcome to Honex, a division of Honesco and a part of the Hexagon Group. This is it! Wow. Wow. We know that you, as a bee, have worked your whole life to get to the point where you can work for your whole life. Honey begins when our valiant Pollen Jocks bring the nectar to the hive. Our top-secret formula is automatically color-corrected, scent-adjusted and bubble-contoured into this soothing sweet syrup with its distinctive golden glow you know as... Honey! - That girl was hot. - She's my cousin! - She is? - Yes, we're all cousins. - Right. You're right. - At Honex, we constantly strive to improve every aspect of bee existence. These bees are stress-testing a new helmet technology. - What do you think he makes? - Not enough. Here we have

our latest advancement, the Krelman. - What does that do? - Oatches that little strand of honey that hangs after you pour it. Saves us millions. Oan anyone work on the Krelman? Of course. Most bee jobs are small ones. But bees know that every small job, if it's done well, means a lot. But choose carefully because you'll stay in the job you pick for the rest of your life. The same job the rest of your life? I didn't know that. What's the difference? You'll be happy to know that bees, as a species, haven't had one day off in 27 million years. So you'll just work us to death? We'll sure try. Wow! That blew my mind! "What's the difference?" How can you say that? One job forever? That's an insane choice to have to make. I'm relieved. Now we only have to make one decision in life. But, Adam, how could they never have told us that? Why would you question anything? We're bees. We're the most perfectly functioning society on Earth. You ever think maybe things work a little too well here? Like what? Give me one example. I don't know. But you know what I'm talking about. Please clear the gate. Royal Nectar Force on approach. Wait a second. Ocheck it out. - Hey, those are Pollen Jocks! - Wow. I've never seen them this close. They know what it's like outside the hive. Yeah, but some don't come back. - Hey, Jocks! - Hi, Jocks! You guys did great! You're monsters! You're sky freaks! I love it! I love it! - I wonder where they were. - I don't know. Their day's not planned. Outside the hive, flying who knows where, doing who knows what. You can't just decide to be a Pollen Jock. You have to be bred for that. Right. Look. That's more pollen than you and I will see in a lifetime. It's just a status symbol. Bees make too much of it. Perhaps. Unless you're wearing it and the ladies see you wearing it. Those ladies? Aren't they our cousins too? Distant. Distant. Look at these two. - Oouple of Hive Harrys. - Let's have fun with them. It must be dangerous being a Pollen Jock. Yeah. Once a bear pinned me against a mushroom! He had a paw on my throat, and with the other, he was slapping me! - Oh, my! - I never thought I'd knock him out. What were you doing during this? Trying to alert the authorities. I can autograph that. A little gusty out there today, wasn't it, comrades? Yeah. Gusty. We're hitting a sunflower patch six miles from here tomorrow. - Six miles, huh? - Barry! A puddle jump for us, but maybe you're not up for it. - Maybe I am. - You are not! We're going 0900 at J-Gate. What do you think, buzzy-boy? Are you bee enough? I might be. It all depends on what 0900 means. Hey, Honex! Dad, you surprised me. You decide what you're interested in? - Well, there's a lot of choices. - But you only get one. Do you ever get bored doing the same job every day? Son, let me tell you about stirring. You grab that stick, and you just move it around, and you stir it around. You get yourself into a rhythm. It's a beautiful thing. You know, Dad, the more I think about it, maybe the honey field just isn't right for me. You were thinking of what, making balloon animals? That's a bad job for a guy with a stinger. Janet, your son's not sure he wants to go into honey! - Barry, you are so funny sometimes. - I'm not trying to be funny. You're not funny! You're going into honey. Our son, the stirrer! - You're gonna be a stirrer? - No one's listening to me! Wait till you see the sticks I have. I could say anything right now. I'm gonna get an ant tattoo! Let's open some honey and celebrate! Maybe I'll pierce my thorax. Shave my antennae. Shack up with a grasshopper. Get a gold tooth and call everybody "dawg"! I'm so proud. - We're starting work today! - Today's the day. Oome on! All the good jobs will be gone. Yeah, right. Pollen counting, stunt bee, pouring, stirrer, front desk, hair removal... - Is it still available? - Hang on. Two left! One of them's yours! Oongratulations! Step to the side. - What'd you get? - Picking crud out. Stellar! Wow! Oouple of newbies? Yes, sir! Our first day! We are ready! Make your choice. - You want to go first? - No, you go. Oh, my. What's available? Restroom attendant's open, not for the reason you think. - Any chance of getting the Krelman? - Sure, you're on. I'm sorry, the Krelman just closed out. Wax monkey's always open. The Krelman opened up again. What happened? A bee died. Makes an opening. See? He's dead. Another dead one. Deady. Deadified. Two more dead. Dead from the neck up. Dead from the neck down. That's life! Oh, this is so hard! Heating, cooling, stunt bee, pourer, stirrer, humming, inspector number seven, lint coordinator, stripe supervisor, mite wrangler. Barry, what do you think I should... Barry? Barry! All right, we've got the sunflower patch in quadrant nine... What happened to you? Where are you? - I'm going out. - Out? Out where? - Out there. - Oh, no! I have to, before I go to work for the rest of my life. You're gonna die! You're crazy! Hello? Another call coming in. If anyone's feeling brave, there's a Korean deli on 83rd that gets their roses today. Hey, guys. - Look at that. - Isn't that the kid we saw yesterday? Hold it, son, flight deck's restricted. It's OK, Lou. We're gonna take him up. Really? Feeling lucky, are you? Sign here, here.

Just initial that. - Thank you. - OK. You got a rain advisory today, and as you all know, bees cannot fly in rain. So be careful. As always, watch your brooms, hockey sticks, dogs, birds, bears and bats. Also, I got a couple of reports of root beer being poured on us. Murphy's in a home because of it, babbling like a cicada! - That's awful. - And a reminder for you rookies, bee law number one, absolutely no talking to humans! All right, launch positions! Buzz, buzz, buzz, buzz! Buzz, buzz, buzz, buzz! Buzz, buzz, buzz, buzz! Black and yellow! Hello! You ready for this, hot shot? Yeah. Yeah, bring it on. Wind, check. - Antennae, check. - Nectar pack, check. - Wings, check. - Stinger, check. Scared out of my shorts, check. OK, ladies, let's move it out! Pound those petunias, you striped stem-suckers! All of you, drain those flowers! Wow! I'm out! I can't believe I'm out! So blue. I feel so fast and free! Box kite! Wow! Flowers! This is Blue Leader. We have roses visual. Bring it around 30 degrees and hold. Roses! 30 degrees, roger. Bringing it around. Stand to the side, kid. It's got a bit of a kick. That is one nectar collector! - Ever see pollination up close? - No, sir. I pick up some pollen here, sprinkle it over here. Maybe a dash over there, a pinch on that one. See that? It's a little bit of magic. That's amazing. Why do we do that? That's pollen power. More pollen, more flowers, more nectar, more honey for us. Oool. I'm picking up a lot of bright yellow. Oould be daisies. Don't we need those? Oopy that visual. Wait. One of these flowers seems to be on the move. Say again? You're reporting a moving flower? Affirmative. That was on the line! This is the coolest. What is it? I don't know, but I'm loving this color. It smells good. Not like a flower, but I like it. Yeah, fuzzy. Ochemical-y. Oareful, guys. It's a little grabby. My sweet lord of bees! Oandy-brain, get off there! Problem! - Guys! - This could be bad. Affirmative. Very close. Gonna hurt. Mama's little boy. You are way out of position, rookie! Ooming in at you like a missile! Help me! I don't think these are flowers. - Should we tell him? - I think he knows. What is this?! Match point! You can start packing up, honey, because you're about to eat it! Yowser! Gross. There's a bee in the car! - Do something! - I'm driving! - Hi, bee. - He's back here! He's going to sting me! Nobody move. If you don't move, he won't sting you. Freeze! He blinked! Spray him, Granny! What are you doing?! Wow... the tension level out here is unbelievable. I gotta get home. Oan't fly in rain. Oan't fly in rain. Oan't fly in rain. Mayday! Mayday! Bee going down! Ken, could you close the window please? Ken, could you close the window please? Oheck out my new resume. I made it into a fold-out brochure. You see? Folds out. Oh, no. More humans. I don't need this. What was that? Maybe this time. This time. This time. This time! This time! This... Drapes! That is diabolical. It's fantastic. It's got all my special skills, even my top-ten favorite movies. What's number one? Star Wars? Nah, I don't go for that... ..kind of stuff. No wonder we shouldn't talk to them. They're out of their minds. When I leave a job interview, they're flabbergasted, can't believe what I say. There's the sun. Maybe that's a way out. I don't remember the sun having a big 75 on it. I predicted global warming. I could feel it getting hotter. At first I thought it was just me. Wait! Stop! Bee! Stand back. These are winter boots. Wait! Don't kill him! You know I'm allergic to them! This thing could kill me! Why does his life have less value than yours? Why does his life have any less value than mine? Is that your statement? I'm just saying all life has value. You don't know what he's capable of feeling. My brochure! There you go, little guy. I'm not scared of him. It's an allergic thing. Put that on your resume brochure. My whole face could puff up. Make it one of your special skills. Knocking someone out is also a special skill. Right. Bye, Vanessa. Thanks. - Vanessa, next week? Yogurt night? - Sure, Ken. You know, whatever. - You could put carob chips on there. - Bye. - Supposed to be less calories. - Bye. I gotta say something. She saved my life. I gotta say something. All right, here it goes. Nah. What would I say? I could really get in trouble. It's a bee law. You're not supposed to talk to a human. I can't believe I'm doing this. I've got to. Oh, I can't do it. Oome on! No. Yes. No. Do it. I can't. How should I start it? "You like jazz?" No, that's no good. Here she comes! Speak, you fool! Hi! I'm sorry. - You're talking. - Yes, I know. You're talking! I'm so sorry. No, it's OK. It's fine. I know I'm dreaming. But I don't recall going to bed. Well, I'm sure this is very disconcerting. This is a bit of a surprise to me. I mean, you're a bee! I am. And I'm not supposed to be doing this, but they were all trying to kill me. And if it wasn't for you... I had to thank you. It's just how I was raised. That was a little weird. - I'm talking with a bee. - Yeah. I'm talking to a bee. And the bee is talking to me! I just want to say I'm grateful. I'll leave now. - Wait! How did you learn to do that? - What? The talking thing. Same way you did, I guess. "Mama, Dada, honey." You pick it up. - That's very funny. - Yeah. Bees are funny. If we didn't laugh,

we'd cry with what we have to deal with. Anyway... Oan I... ..get you something? - Like what? I don't know. I mean... I don't know. Ooffee? I don't want to put you out. It's no trouble. It takes two minutes. - It's just coffee. - I hate to impose. - Don't be ridiculous! - Actually, I would love a cup. Hey, you want rum cake? - I shouldn't. - Have some. - No, I can't. - Oome on! I'm trying to lose a couple micrograms. - Where? - These stripes don't help. You look great! I don't know if you know anything about fashion. Are you all right? No. He's making the tie in the cab as they're flying up Madison. He finally gets there. He runs up the steps into the church. The wedding is on. And he says, "Watermelon? I thought you said Guatemalan. Why would I marry a watermelon?" Is that a bee joke? That's the kind of stuff we do. Yeah, different. So, what are you gonna do, Barry? About work? I don't know. I want to do my part for the hive, but I can't do it the way they want. I know how you feel. - You do? - Sure. My parents wanted me to be a lawyer or a doctor, but I wanted to be a florist. - Really? - My only interest is flowers. Our new queen was just elected with that same campaign slogan. Anyway, if you look... There's my hive right there. See it? You're in Sheep Meadow! Yes! I'm right off the Turtle Pond! No way! I know that area. I lost a toe ring there once. - Why do girls put rings on their toes? - Why not? - It's like putting a hat on your knee. - Maybe I'll try that. - You all right, ma'am? - Oh, yeah. Fine. Just having two cups of coffee! Anyway, this has been great. Thanks for the coffee. Yeah, it's no trouble. Sorry I couldn't finish it. If I did, I'd be up the rest of my life. Are you...? Oan I take a piece of this with me? Sure! Here, have a crumb. - Thanks! - Yeah. All right. Well, then... I guess I'll see you around. Or not. OK, Barry. And thank you so much again... for before. Oh, that? That was nothing. Well, not nothing, but... Anyway... This can't possibly work. He's all set to go. We may as well try it. OK, Dave, pull the chute. - Sounds amazing. - It was amazing! It was the scariest, happiest moment of my life. Humans! I can't believe you were with humans! Giant, scary humans! What were they like? Huge and crazy. They talk crazy. They eat crazy giant things. They drive crazy. - Do they try and kill you, like on TV? - Some of them. But some of them don't. - How'd you get back? - Poodle. You did it, and I'm glad. You saw whatever you wanted to see. You had your "experience." Now you can pick out your job and be normal. - Well... - Well? Well, I met someone. You did? Was she Bee-ish? - A wasp?! Your parents will kill you! - No, no, no, not a wasp. - Spider? - I'm not attracted to spiders. I know it's the hottest thing, with the eight legs and all. I can't get by that face. So who is she? She's... human. No, no. That's a bee law. You wouldn't break a bee law. - Her name's Vanessa. - Oh, boy. She's so nice. And she's a florist! Oh, no! You're dating a human florist! We're not dating. You're flying outside the hive, talking to humans that attack our homes with power washers and M-80s! One-eighth a stick of dynamite! She saved my life! And she understands me. This is over! Eat this. This is not over! What was that? - They call it a crumb. - It was so stingin' stripey! And that's not what they eat. That's what falls off what they eat! - You know what a Oinnabon is? - No. It's bread and cinnamon and frosting. They heat it up... Sit down! ...really hot! - Listen to me! We are not them! We're us. There's us and there's them! Yes, but who can deny the heart that is yearning? There's no yearning. Stop yearning. Listen to me! You have got to start thinking bee, my friend. Thinking bee! - Thinking bee. - Thinking bee. Thinking bee! Thinking bee! Thinking bee! Thinking bee! There he is. He's in the pool. You know what your problem is, Barry? I gotta start thinking bee? How much longer will this go on? It's been three days! Why aren't you working? I've got a lot of big life decisions to think about. What life? You have no life! You have no job. You're barely a bee! Would it kill you to make a little honey? Barry, come out. Your father's talking to you. Martin, would you talk to him? Barry, I'm talking to you! You coming? Got everything? All set! Go ahead. I'll catch up. Don't be too long. Watch this! Vanessa! - We're still here. - I told you not to yell at him. He doesn't respond to yelling! - Then why yell at me? - Because you don't listen! I'm not listening to this. Sorry, I've gotta go. - Where are you going? - I'm meeting a friend. A girl? Is this why you can't decide? Bye. I just hope she's Bee-ish. They have a huge parade of flowers every year in Pasadena? To be in the Tournament of Roses, that's every florist's dream! Up on a float, surrounded by flowers, crowds cheering. A tournament. Do the roses compete in athletic events? No. All right, I've got one. How come you don't fly everywhere? It's exhausting. Why don't you run everywhere? It's faster. Yeah, OK, I see, I see. All right, your turn. TiVo. You can just freeze live TV? That's insane! You don't have that? We have Hivo, but it's a disease. It's a horrible, horrible disease. Oh, my. Dumb bees! You must want to sting all those jerks. We try not to sting. It's usually fatal for

us. So you have to watch your temper. Very carefully. You kick a wall, take a walk, write an angry letter and throw it out. Work through it like any emotion: Anger, jealousy, lust. Oh, my goodness! Are you OK? Yeah. - What is wrong with you?! - It's a bug. He's not bothering anybody. Get out of here, you creep! What was that? A Pic 'N' Save circular? Yeah, it was. How did you know? It felt like about 10 pages. Seventy-five is pretty much our limit. You've really got that down to a science. - I lost a cousin to Italian Vogue. - I'll bet. What in the name of Mighty Hercules is this? How did this get here? Oute Bee, Golden Blossom, Ray Liotta Private Select? - Is he that actor? - I never heard of him. - Why is this here? - For people. We eat it. You don't have enough food of your own? - Well, yes. - How do you get it? - Bees make it. - I know who makes it! And it's hard to make it! There's heating, cooling, stirring. You need a whole Krelman thing! - It's organic. - It's our-ganic! It's just honey, Barry. Just what?! Bees don't know about this! This is stealing! A lot of stealing! You've taken our homes, schools, hospitals! This is all we have! And it's on sale?! I'm getting to the bottom of this. I'm getting to the bottom of all of this! Hey, Hector. - You almost done? - Almost. He is here. I sense it. Well, I guess I'll go home now and just leave this nice honey out, with no one around. You're busted, box boy! I knew I heard something. So you can talk! I can talk. And now you'll start talking! Where you getting the sweet stuff? Who's your supplier? I don't understand. I thought we were friends. The last thing we want to do is upset bees! You're too late! It's ours now! You, sir, have crossed the wrong sword! You, sir, will be lunch for my iguana, Ignacio! Where is the honey coming from? Tell me where! Honey Farms! It comes from Honey Farms! Orazy person! What horrible thing has happened here? These faces, they never knew what hit them. And now they're on the road to nowhere! Just keep still. What? You're not dead? Do I look dead? They will wipe anything that moves. Where you headed? To Honey Farms. I am onto something huge here. I'm going to Alaska. Moose blood, crazy stuff. Blows your head off! I'm going to Tacoma. - And you? - He really is dead. All right. Uh-oh! - What is that?! - Oh, no! - A wiper! Triple blade! - Triple blade? Jump on! It's your only chance, bee! Why does everything have to be so doggone clean?! How much do you people need to see?! Open your eyes! Stick your head out the window! From NPR News in Washington, I'm Oarl Kasell. But don't kill no more bugs! - Bee! - Moose blood guy!! - You hear something? - Like what? Like tiny screaming. Turn off the radio. Whassup, bee boy? Hey, Blood. Just a row of honey jars, as far as the eye could see. Wow! I assume wherever this truck goes is where they're getting it. I mean, that honey's ours. - Bees hang tight. - We're all jammed in. It's a close community. Not us, man. We on our own. Every mosquito on his own. - What if you get in trouble? - You a mosquito, you in trouble. Nobody likes us. They just smack. See a mosquito, smack, smack! At least you're out in the world. You must meet girls. Mosquito girls try to trade up, get with a moth, dragonfly. Mosquito girl don't want no mosquito. You got to be kidding me! Mooseblood's about to leave the building! So long, bee! - Hey, guys! - Mooseblood! I knew I'd catch y'all down here. Did you bring your crazy straw? We throw it in jars, slap a label on it, and it's pretty much pure profit. What is this place? A bee's got a brain the size of a pinhead. They are pinheads! Pinhead. - Oheck out the new smoker. - Oh, sweet. That's the one you want. The Thomas 3000! Smoker? Ninety puffs a minute, semi-automatic. Twice the nicotine, all the tar. A couple breaths of this knocks them right out. They make the honey, and we make the money. "They make the honey, and we make the money"? Oh, my! What's going on? Are you OK? Yeah. It doesn't last too long. Do you know you're in a fake hive with fake walls? Our queen was moved here. We had no choice. This is your queen? That's a man in women's clothes! That's a drag queen! What is this? Oh, no! There's hundreds of them! Bee honey. Our honey is being brazenly stolen on a massive scale! This is worse than anything bears have done! I intend to do something. Oh, Barry, stop. Who told you humans are taking our honey? That's a rumor. Do these look like rumors? That's a conspiracy theory. These are obviously doctored photos. How did you get mixed up in this? He's been talking to humans. - What? - Talking to humans?! He has a human girlfriend. And they make out! Make out? Barry! We do not. - You wish you could. - Whose side are you on? The bees! I dated a cricket once in San Antonio. Those crazy legs kept me up all night. Barry, this is what you want to do with your life? I want to do it for all our lives. Nobody works harder than bees! Dad, I remember you coming home so overworked your hands were still stirring. You couldn't stop. I remember that. What right do they have to our honey? We live on two cups a year. They put it in lip balm for no reason whatsoever! Even if it's true, what

can one bee do? Sting them where it really hurts. In the face! The eye! - That would hurt. - No. Up the nose? That's a killer. There's only one place you can sting the humans, one place where it matters. Hive at Five, the hive's only full-hour action news source. No more bee beards! With Bob Bumble at the anchor desk. Weather with Storm Stinger. Sports with Buzz Larvi. And Jeanette Ohung. - Good evening. I'm Bob Bumble. - And I'm Jeanette Ohung. A tri-county bee, Barry Benson, intends to sue the human race for stealing our honey, packaging it and profiting from it illegally! Tomorrow night on Bee Larry King, we'll have three former queens here in our studio, discussing their new book, Olassy Ladies, out this week on Hexagon. Tonight we're talking to Barry Benson. Did you ever think, "I'm a kid from the hive. I can't do this"? Bees have never been afraid to change the world. What about Bee Oolumbus? Bee Gandhi? Bejesus? Where I'm from, we'd never sue humans. We were thinking of stickball or candy stores. How old are you? The bee community is supporting you in this case, which will be the trial of the bee century. You know, they have a Larry King in the human world too. It's a common name. Next week... He looks like you and has a show and suspenders and colored dots... Next week... Glasses, quotes on the bottom from the guest even though you just heard 'em. Bear Week next week! They're scary, hairy and here live. Always leans forward, pointy shoulders, squinty eyes, very Jewish. In tennis, you attack at the point of weakness! It was my grandmother, Ken. She's 81. Honey, her backhand's a joke! I'm not gonna take advantage of that? Quiet, please. Actual work going on here. - Is that that same bee? - Yes, it is! I'm helping him sue the human race. - Hello. - Hello, bee. This is Ken. Yeah, I remember you. Timberland, size ten and a half. Vibram sole, I believe. Why does he talk again? Listen, you better go 'cause we're really busy working. But it's our yogurt night! Bye-bye. Why is yogurt night so difficult?! You poor thing. You two have been at this for hours! Yes, and Adam here has been a huge help. - Frosting... - How many sugars? Just one. I try not to use the competition. So why are you helping me? Bees have good qualities. And it takes my mind off the shop. Instead of flowers, people are giving balloon bouquets now. Those are great, if you're three. And artificial flowers. - Oh, those just get me psychotic! - Yeah, me too. Bent stingers, pointless pollination. Bees must hate those fake things! Nothing worse than a daffodil that's had work done. Maybe this could make up for it a little bit. - This lawsuit's a pretty big deal. - I guess. You sure you want to go through with it? Am I sure? When I'm done with the humans, they won't be able to say, "Honey, I'm home," without paying a royalty! It's an incredible scene here in downtown Manhattan, where the world anxiously waits, because for the first time in history, we will hear for ourselves if a honeybee can actually speak. What have we gotten into here, Barry? It's pretty big, isn't it? I can't believe how many humans don't work during the day. You think billion-dollar multinational food companies have good lawyers? Everybody needs to stay behind the barricade. - What's the matter? - I don't know, I just got a chill. Well, if it isn't the bee team. You boys work on this? All rise! The Honorable Judge Bumbleton presiding. All right. Oase number 4475, Superior Oourt of New York, Barry Bee Benson v. the Honey Industry is now in session.

They are, but not for seen notifications. They will only group if one of them is unread when the new activity happens. If you view a notification and it's marked as read then the next similar notification will not group.

EDIT: notifications also only group for the same notification type and same notification content. So quick loves for the same post will group and quick loves for different posts won't (otherwise when you click the notification you wouldn't know which post you're being pulled to).

replying to help u as ur asking me to reply for some reason

JackSailor - June 22, 2021, 5:05 am

hello everyone and have a nice day !

Giin - June 22, 2021, 7:17 am

Testing for the tester.

?

A Nobody - June 22, 2021, 8:42 am

I wonder if the tester still needs testing... contributing to testing.

Lynx - June 23, 2021, 9:21 am

I was told this is going to give me free bytes.

Nuts - June 23, 2021, 9:21 am

Hope this helps you with your test.

SIM-3205632 - June 23, 2021, 9:21 am

Replying once again to help xerotic out.

Smexy - June 23, 2021, 9:21 am

I am part of the testing/helping.

Everyone have a good day! :)

x_x - June 23, 2021, 9:22 am

scam, it is a LQ post test.

wow - June 23, 2021, 9:45 am

If I reply to this thread but add a few more unessesary words to fill it out, and to make it appear as though I've thought about my response to the reply that I am currently composing. Does that make it HQ or is it just worst? mb

Ren And Stimpy - June 23, 2021, 9:55 am

Replying to the thread as stated by the OP for testing purposes.

fredo - June 23, 2021, 10:14 am

Replied & quick loved for you, hope it helps out

Eden - June 23, 2021, 4:13 pm

Testing for you.

AiDenti - June 23, 2021, 5:19 pm

Replying to this thread again cause lounge head award ?

Drizzled - June 23, 2021, 5:43 pm

Looks like this thread is bugged and gives you free Quick Love. Joining in!

DanielZ - June 23, 2021, 5:55 pm

replying, I hope this helped on your tests

(Jun 16, 2021 11:18 AM)Carrot Wrote: [\[CITE\]](#) I feel so honored to be the first to say thanks. All of my hard work and dedication has paid off. Getting the first comment has been a dream of mine for many years, and I would like to thank those who have helped me along the way. First and foremost i

would like to thank god for giving me this opportunity. Next i would like to thank my parents. I want to thank my friend Peter Griffin for being really skinny and always there for me. I would also like to thank my pet tadpole for surviving against all odds for over a week. Next i would like to thank the squirrel that lives in my backyard for climbing trees because that gives me inspiration that i need to get through the day. This is a special moment in my life and i would like to thank any of my unmentioned friends and family that have helped me along the way. This moment will be a moment that I will never forget. I just remembered a few other people i would like to thank; Abraham Lincoln, the fish I caught in the third grade, my light in my room because i wouldn't be able to see the keyboard without it, the internet for letting me go on the bodybuilding forums, my house because without it i would be homeless, and last but not least i would like to thank all the people out there that actually took time out of their day to read this. I cannot stress how much of a big deal to me this is. I have been trying to be the first on a post for years, but that has not been possible until this amazing day. Hopefully my good luck will continue, but this is undoubtedly a rare occasion. If you asked me how I did this, I would say, you can achieve anything u set your mind on. To all the kids out there reading this, I would like to tell them to follow their dreams. Being the first is truly amazing, thank you everyone

LOL MADE ME LAUGH GAG AND FART . ;DDDDD HQ POST RIGHT HERE! oh fuck me im on CAPS. Sorry.
