Thread: [Selling Giftcards \(Legally Obtained\) | Xbox , PS5 , Nintendo, Itunes, Google Play 40%](#)

dwalael - June 18, 2021, 7:54 am

I have been earning giftcards for the past day or 2,
I am getting Xbox , PS5 , Nintendo, Itunes, Google Play Giftcards, at a decent rate so I decided to sell the ones I am not using.

I can get up to £50 denominations (yes UK but all the ones I have tried work worldwide) . I am charging 60% on orders below 50\$ so a very good solid price and definitely profitable for resell. For bulk buyers, we can setup better rates and you can get constant stock to resell or use!

Not sure how long this will last so make sure you get your orders in quick!

Do you have Amazon Cards?

Hey,

I would like to purchase £95 worth of Google Play GC (or £100 if it's easier for you).

What would the discount % be as it is larger than £50?

What payment methods do you accept?

Thanks.

I would be interested in \$200 of Xbox cards. PM me rate.
