Thread: [Any way to sell my hakuman egg?](#)

M4A4™ - June 20, 2021, 7:02 am

I'm not an uber member but I have a ruby egg that is just going to go to waste.

Is there any other way to auction or at least give it away to somebody?

A Nobody - June 20, 2021, 7:04 am

Sorry but no. You need to be ub3r to host lotteries which is the only way to transfer an egg.

Nah only way is to auction it at lottery

At least it's not a gold egg. I saw a l33t member with gold egg rot away and that hurts so much to see ?

To be able to sell it on the lottery you would be needing an upgrade to UB3R bro, the best you can do about those eggs fir now are just enjoy them and play the hum game.

bellodipapa - June 20, 2021, 5:39 pm
