I'd be interested in joining the family, being a good role model and supporter. Helping out, etc.
I am skilled in full stack web development, seo, and relations :)

It would be an honor to join.

Bumpkin - June 23, 2021, 3:46 am

I believe I'm a good fit in this crew because I'm interested in security and coding since this is what I'm studying as well and got a couple of projects onboard.

Bru6 - June 23, 2021, 4:48 am

Hi, my name is Bruno and I'm here to apply! I'm a web developer focused on big projects to help

people grow more and more in their projects and with the future of their lives.

I would like to elect myself to the group in order to meet new people, I have been participating more in the forum every day and I would like to group with people with the same mentality as mine. I have a marketing agency in my city and I think I can help with some of my wisdom for the group :)

?

Is there a particular application you have for your group? I'm skilled in lots of areas and think I could contribute a lot of quality threads to HF in the name of the group. Let me know!

Can I buy group invite for 100 HQ bytes and 2 QL

HaileyJOKER - July 1, 2021, 9:11 am

I think I would be a good fit I am young and have a lot of potential to learn .

I know a few things about webdevelopment, c++ coding, marketing etc.

Yes I should be in the group because I definitely add value to anything I do and I will do the same here

Valuehunter - July 1, 2021, 9:20 am

After getting my Marketing-degree from university yesterday, being without a group and thinking I can definitely bring something to crew... Here's a quick application. Love this concept. I promise not to disappoint! ?

Do you plan on changing the UB?

Rod Wave - July 1, 2021, 9:25 pm

I think this group is low quality and shitty , compared to say mean girls or panbthers

Charger - July 2, 2021, 12:44 am

I think I should be added because I'm [Charger](#) , I was MOTM, and because I'm not [Nachfolger](#)

Stanley - July 10, 2021, 9:14 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

No, was given permission to use, and it works for the group name.

Edit: however, it is possible I may have a new one created to better fit the crew name.
