Bit controversial thread.

Do you prefer sleeping Naked or clothed? And why?

Zexi - June 23, 2021, 3:01 pm

Pawnhub - June 23, 2021, 3:41 pm

Why wouldn't I sleep naked though? I slept naked as far as I can recall having my own bed.

Edit: Only time I'd actually sleep with clothes on is if I don't shower at night which is rare as fuck. Showering at night keeps ya bed clean.

?roye - June 23, 2021, 4:47 pm

I don't sleep naked in my home since I'm not allowed to lock the door to my room, I got overprotective parents so they just barge in sometimes when I don't wake up at my usual times to check on me.

Though I do love sleeping naked whenever I get the hotel room all to myself on vacations and whatnot.

Certainly makes me horny a lot more than sleeping fully clothed.

DanielZ - June 23, 2021, 4:49 pm

Few people might say it's relaxing to sleep naked, but I cannot sleep if my bottom is not covered ?
