Thread: [----> PAID EWHORE TRAFFIC SOURCE | \\$200 FOR 1 WEEK | GUARANTEED ROI <----](#)

carcozza - June 26, 2021, 6:42 pm

Hello,

This is not my first time doing this on HackForums, but I take breaks as I don't do much of my business with the public.

I am now re-opening my previous thread but the following has changed:
My prices

My traffic

I own an adult traffic source that brings in 550k+ unique visitors in a month, Snapchat related only.

I have a verified list on the source. I am selling 5 spots on the list for \$400 which will give you a spot on the list for 2 weeks. I no longer eWhore and have been leasing these spots out for years now. I have trusted members I have worked with that can vouch for this list, you will make your money back in two to four days if you're not an amateur. I provide NEW and UNIQUE traffic everyday.

New Traffic[\$400 for 2 weeks]:

Previous Traffic[\$350 a month]:

Pricing:

Two[2] Vouch Copies { 1 Week } - \$150
Two Weeks - \$400

Extra Perks:I provide extra perks that are not explained until after you purchase that help boost traffic by a lot. You will need to put roughly 3 minutes of effort everyday if you want to boost the traffic by atleast 2x.

I am very reasonable and prefer to work with the same people, I will keep this thread open until I find 2-5 people I am comfortable working with and then close the thread. You can buy more than one spot if you like the service and we can negotiate on pricing if you do.

Previous vouches are also in the old thread.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

My source is correlated directly for Snapchat adding, a lot of my traffic converts to adds. You will definitely get hundreds of adds per day easily.

I decide that, no more than four at a time.

I'll definitely come back here in August when I finish my job so far. The OP offer looks really tempting for me, but I need to see some vouches first, so good luck with sales OP! If you can, shoot me with your discord to stay in touch.
