can i lend a osrs bond from someone?

I highly recommend buying Mills of [Almonds](#) and use those mills to buy OSRS bond for 5M.

That will cost you approx \$2,50. With 180M worth of items, that's a no-brainer.

If you read what I literally just posted, you wouldn't be in this position.

Buy MILLS of Almonds (HF Member)... use those OSRS MILLS to buy OSRS BOND.

After buying the OSRS BOND, use your member items on GE to sell. And there you go.... you made a lot of money back.

Next time, do me a favour. Read before posting. I don't like to offer help to members who can't even read 1 sentence.
