the amount of leaks lovers decreasing so fast ! maybe is it because of money worship?? or love of money earn illusion??

or because of human stupidity ??

anyhows of how its possible to not like digital leaks its simply a mind illness ?

but if you dont already Digital leaks are ruling the galaxy including planet earth soon ! if you dont know this already ?

Thanks to all once again

My head hurts from reading this.

It's simple human psychology, anyone is willing to pay for convenience.

Then I request that we all respectfully pray for this dude and his future on the internet. ?

If it isn't a troll, I can't be sure what it even is. ?

?
