Thread: [Resize my Avatar](#)

**SA777OSHI** - July 1, 2021, 7:13 pm

Hello HF Artists, I would like to modify the size of my avatar (profile picture) to make it bigger, I dont know whats wrong with the current size of the image but it displays too small on the forum right now, if anyone can help me please leave a post on this thread or convo me.

120x150px is the max size on HF. Yours is 100x150px.
