i remember not being able to upgrade because I used to be in a family plan, is this still true? it said I needed to wait 12 months or something.

I don't believe this is the case. I have swapped many accounts in and out of family plans. The only requirement I have ran into is being in the same Country. If you want to try before you buy I'm willing to go first.

I didn't receive a vouch copy but paid and went first. I bought one year. It expires Aug 3. I'm assuming that I contact him then to extend or something. So far, so good.

It sends an email saying it expires but it wont. If you do ever lose your premium then just message me and I will readd or refund you.

Can you do PayPal (Will be paying you from my legit Shopify business PP)?

I am currently banned off cashapp and we all know BTC fees are ass. Check B rating and I am a occasional seller here too.

Thanks.

I don't use PP because it's too ez to dox me through it even with my business account. LTC and ETC fees are fractions of pennies for every dollar.

Seller gave me a vouch and upgraded me. I am now saved \$60 a year I can use for paying for Joe Biden's inflated gas prices!

Yay me.

Vouch for him!

Can my account get banned from this and do you accept PP?

Vouch Review :

OP sent me the VC 3 days ago. I waited just to make sure I didn't get kicked out of the family plan since this has happened before with other sellers. It is safe to say this is a legit service.

I will update my vouch after 1 month and 3 months to let y'all know if I'm still in the family plan.

TLDR : Go for it. Works perfectly :) and OP is a chill af guy as well so more reasons to get this cheap service :)

Good Luck with Sales OP ???

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
