Thread: [Free EDU Email Generator \(Student Email\)](#)

LoremIpsum - July 5, 2021, 3:15 am

Hello you all,

I came across this tool and I'm wondering if it's working.
Did anybody try this before and like to share some feedback about their experience?

Edu Email Generator;
<https://www.istaunch.com/edu-email-generator>

I requested the email today and according to the website it should take 48 hours.
"Your Request Has Been Submitted. You Will Receive Edu Email Account Within 48 Hours."
I just don't want to wait for that long to find out if it's legitimate or not.

Question;
Does the Free EDU Email Generator of istaunch.com work? Anybody having any experiences with this website or tool?

Thank you. I noticed that a member was selling EDU emails for \$3 a piece up to \$1 in bulk.
This is way more convenient. Thank you!

Not many members do. Use the "advance search" and "search by post" instead of "search by title" to get more results when searching a keyword.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

If it worked I would update my thread, that's why I keep bumping it to find alternatives of perhaps someone who can vouch for them.

I know some of you are young, but please try to act at least a bit mature.
