Hello ! Im looking for 2-3 serious guys

All you have to do is to like profiles on a website and wait until they send you a message back , you need to hit about 2-2,5k clicks and the job will be done ,i want 300-400 replays /acc, it's no more than 30-40 min / day / account

i will pay you 15\$ for each account you do , i need 1-3 accounts every 2 or 3 days

I will do this only under contract , for reputable members i will pay 10\$ when you start and 5\$ when you finish

for new/not trusted members after the first 150 replays i will send 5\$ and at the end 10\$ more

There is nothing blackhat or illegal activity , it's all about a method i try to develop for CPA

Reply below on send me a PM

Please do not open the contract until we talked on PM
