Thread: [How was Everyone's Fourth of July?](#)

Boil - July 5, 2021, 2:48 pm

As the title says. For Americans how was the fourth/weekend?

I-I - July 5, 2021, 3:15 pm

Like any other weekend. My friends and family did some stuff but it rained here and I didn't really feel like going out. So I just stayed home drank, and made hotdogs.

Yeah bro always been here. I have been sick last month and now just recovering but still taking my medications and check up every 2 weeks.

How are you doing? Hoping you are always on great shape.

Went to a baseball game. The place was crowded, it was hot as hell, food was a rip off, I got sick, my team lost and the fireworks display malfunctioned and wouldn't fire. At least the beer was cold.

It was wonderful! I went to bed a reasonable hour and actually felt rested the next morning.
