Who hasn't been kicked or punched in the balls? Happens all the time when you're a kid.

Vitani's Mate - July 7, 2021, 6:26 am

Yes.. I have been punched and kicked in the balls before... Many, many times and guess what? It fucking hurts.. Each time.

Yanix - July 7, 2021, 6:29 am

But how long ago was the last time? It's been so long for me I don't remember it happening for years now.

It was about 5 years ago when my friend accidentally kicked me in the balls, I went down like a bag of shit.

Sounds about right. I remember back in middle school there was a phase where every guy was just tapping their friends balls any chance they got.

Blogger - July 7, 2021, 6:47 am

I've been a victim of that as well when I was in high school.

Yep hurt like hell.

Also, I did it to someone else back in elementary, and I almost got expelled. The kid cried because it hurt him so much.

I actually felt sad for him and, of course, apologized.

If that isn't a solid reason to Praise God, I don't know what is.

Worse. Feeling. Ever.

The punch / kick isn't that bad, but your testicles sending that excruciating feeling from your "ball(s)" to your stomach is just sickening haha.

Regulus - July 7, 2021, 6:57 am

Of course it has happened, won't recommend anyone that hasn't been to test it though. ?

It's not about fighting, about siblings, just rough-playing, accidents (mountain bike and you fall on that iron bar) and stuff like that. I got balls of steel, but they were hardened by the years hahaha. And.. a big plus! I didn't got a high-pitched voice!

Vitani's Mate - July 7, 2021, 7:05 am

I am not a girl but I hear getting kicked in the cunt punt in the cunt hurts as well. lol

I've once got into trouble when a bunch of teen agers have beaten a brother of my friend and someone tells it to my friend and that time we are playing some basketball so we run on that place and without knowing that those group of fraternity's are still around just hiding their asses then they come all around us and my friend got hit on the face with a huge stone and for me I just got a hit a the back of my head while 1 of my friend have been stabbed by an ice pick, luckily he survive that one. That was the worst thing happened to us and never have been on same situation again for we are not used to go on a ramble or any street fights.

You're not from the US?

Man, that's actually really good, I hope your life stays that way man.

I hope you live a 100% peaceful life.

I am from Asia my bro and we are just raised by our parents to live more peaceful and out of trouble most of the times.

We don't have any vices for my Dad never do smoke nor drinking of wine or liquor activities so we just followed what we see on him as a good example.

My Mom is so kind and very loving person and she will do everything for us.
