Thread: [I found my soulmate on HF.. <3 \[CLICK FOR STORY\]](#)

Cooligan - July 7, 2021, 7:09 pm

It was just another ordinary day in the HF Convo room.. People flipping, rolling, and trolling. Nothing out of the ordinary, until..

Suddenly I get the urge to gamble my Bytes, something told me; Just DO IT - perhaps Shia LaBeouf? Perhaps Nike? Or perhaps the soulmate gods?

[Makaveli The Don](#) and I proceed to /roll for 1k Bytes, and then that's where it all went awry. But I'll let you be the judge.

Prepare yourself for the rarest of all /rolls:

At first we thought it was a coincidence, a fluke, a one off, we both got 52:

Spoiler [\(Click to View\)](#)

But then.. out of nowhere almost like the Bytes gods were looking down on us themselves.. We..tie..AGAIN..?!?! This time with 30:

Spoiler [\(Click to View\)](#)

Can you explain this intense phenomenon? Or are Makaveli The Don and I, truly, soulmates?

Also feel free to read my soulmates thread on this rare spectacle:

I swear the chat room is magical. Love stories one day and nach screaming the next ?

Sky - July 7, 2021, 8:19 pm

Still a better love story than Twilight.

Yanix - July 7, 2021, 8:41 pm

Honestly it seems that maybe you guys are just meant to be :D

I could tell the story about my last morning shit and it would be a better love story than Twilight.
Let's not set the bar so low.

hahahaha just let us know when something like this happens again ???

Glad to see you back with some bytes again after losing some on flipping earlier.

Don't worry, you'll be the first to hear.

And yea, Daddy Don is back baby wooh!

Even though I do not believe in such thing as soulmates or basically anything other than coincidence, I do think that both of you fit each other.

Ha I was going to quicklove you. Then I remembered you're the guy trying to give all his bytes away. Then I saw four people already quickloved you. ?

The funniest I've seen is when someone in YouTube comments put "Still a better love story than Twilight." under Eminem's song "Kim".

I mean the QL's I get go right back out to someone else. Giving me a QL is about the same as donating 10 bytes to a stranger out of good will.
