Thread: [\[CHEAP\]\[FAST\] \[NEED LOGOS?\] Designs.ai Pro Plan | 1 Month | \\$99 Membership \[\\$10\]](#)

Xzedin - July 10, 2021, 10:07 am

What is Designs.ai

Designs.ai is an online platform that uses proprietary AI technology to make design accessible to everyone. This means that even without design experience, you'll be able to create stunning marketing portfolios in less than 2 minutes with the help of our user-friendly interface and AI-powered tools.

Create anything online in 2 minutes! Make a logo, video, social media banner, business card, flyer, mockup, and more with AI.

This is what is include in a Pro Plan: Number of team members: Up to 5 members

UNLIMITED number of projects within tools

UNLIMITED usage of 15 million stock images, videos, and audio files within tools

Shared monthly usable 123RF premium images (library of 150 million images). Use within: Videomaker, Designmaker: 20 images

Shared monthly usable Getty Images premium videos (library of 10 million videos). Use within: Videomaker: 10 videos

Logomaker, Videomaker, Designmaker, Speechmaker, Color Matcher, Font Pairer, and Social Calendar.

NOTE: You will get all the Pro Plan features for 1 Month. If you want to continue. Next month I need your new email.

Price: \$10

Payment: BTC, LTC, XRP, BCH

[contract=tid]Start Contract[/contract]

PM me for a vouch, only one available to trusted members.

Any requirements I should have or the device I use this at? I got Windows and Mac.

Preferably using this on Mac to test and compare.
