Dustin Poirier gained a new fan earlier this year, i knew that animal would win again.

Did you win or lose money tonight?

undeadmutation - July 11, 2021, 3:22 pm

I didn't bet on it but I would have predicted a Poirer win as well. I feel like McGregor's career is over lol

Out of curiosity, where do you place your bets? And how much did you have at stake?

xCrue - July 11, 2021, 3:35 pm

Well done. Did not have enough \$ to bet on the fight, but I would have bet on Poirier as well

I think his career is over too, but I've been surprised before.
