Thread: [Looking for Butterfly Knife or Bayonet or M9 Bayonet \[BTC / Paypal\]](#)

SeekHelp - July 11, 2021, 8:16 am

Title is self-explanatory, I am open to using a middleman, not paying steam market prices either.

Budget: ~ 200-250\$usd

Skins I am looking for ideally: Vanilla, slaughter

I am open to all offers though.
