Hey there,

so country will stay the same on the account? E.g. if I have UK account, after redeeming the code it is still UK?

Do these codes expire? I mean, if I purchase today is there any time limit until I have to redeem it? Also could you accept paypal? I do not have BTC.

Hello are these still available ?

Stanley - November 13, 2021, 12:46 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
