Thread: [Whatsapp Mass Marketing \(Message Sending\)](#)

Proxies.tv - July 14, 2021, 2:54 pm

Greetings Whatsapp Marketers!

For those of you that need to get your Whatsapp marketing in high gear, we've got you covered. With tools to filter and cultivate your phone numbers lists, and the right horse power to get your messages out as quickly as possible, regardless of country, give us a try and see the difference.

When your text, media, and videos need to get out to the masses in any geo-targeted city or country, count on us to get your material out there to the people.

This service is very simple: you provide us your ad text, graphics, video links, as well as a phone number list and we push your messages across the land in your specifically chosen areas.
