Since we have a 1 year old now it's just a lot of Disney movies here.

We watched both boss babies yesterday they were good.

Yeah bro Scotland is a great place and my cousin is living in Edinburgh if I am not mistaken for I haven't talk to her lately.

hahaha having a kid is pretty funny sometimes you would act like a kid as well just to join them on what they wants.

My youngest kid turns 3 last July 3 and my eldest will be turning 7 so just a little guide on them unlike when they were too young ???
