Thread: [Looking for YouTube Views Boosting to Real Traffic From Targeted Countries](#)

Snax - July 15, 2021, 4:18 pm

hey guys

as the title says, the traffic needs to come from targeted countries like US with real people, not bots.

will need at least 5k views, depending on your prices.

hmu on telegram if you're interested: @cybor9 (send me your profile link when you do)
cheers.

Might be the best option to put up a lot of video's?

If you ever change your mind about bot traffic:

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
