Highly generous of you if you are still doing this. Either way, I hope everyone that is reading is having a great day! Unfortunately, I am in self isolation, in my room which feels like a sauna, as it is a constant 31 degrees (Celsius before you have to point it out, Americans) throughout the day and into the evening. Not fun.

Stanley - July 30, 2021, 11:08 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
