Yeah as far as proxies go -- and especially residential -- this seems like a really sick service. GLWS.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley

When you buy a sticky, you post it in the correct forum (e.g. the marketplace), and then the Sticky Bot will move it to the requested forum (e.g. here). After the sticky expires, it will be moved back to the original forum. You didn't do that, and now it's here.
