Thread: [USERBAR FOR MY GROUP](#)

??? - July 18, 2021, 4:35 am

anyone wanna design me a user bar for my group?

These are the ones I test out

In return for making a UB ill send you some bytes and entry to my crew and \$10 to the best one.
You have Full creative control feel free to PM.

We like anime and anime girls and gaming and vibrant colors.

up the prize and you'll see some quality entries posted here .

or just hire an artist that accepts your \$10 .

good luck mate
