Frequently Asked Questions:

Q. Is this method for Mobile only or PC, too?

A. Both. You can do this 100% on mobile or 100% on PC. Whatever you prefer!

Q. Will these methods get saturated? How often do you add new methods?

A. They will never be saturated regardless of anything. Check out my Advice & Partner sales thread for new methods.

Q. Do these methods work worldwide?

A. Yes, the methods work in any country in the world.

Q. When can I expect to start earning?

A. You can begin earning as soon as you executed the method. I made money at my first hour after start, but this is no guarantee for success in the future.

Q. Are there any requirements to do the methods? Do I need any knowledge or skills?

A. No knowledge or skills required. Knowing how to get any type of traffic (visitors) is a plus.

Q. Is there any investment required?

A. It is not required to have any investment, but I recommend you have money available to invest, even if it is a very small amount. The investment amount will have no effect on how much you can earn. Again, no requirement though.

Q. How much time do I need to do the methods?

A. I executed the method yesterday (test account) from Begin to End in 30 minutes.

Q. Is this methods legal?

A. Yes, the method is legal.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
