Thread: [New car seized and impounded for a parking ticket..](#)

**XBT4R** - July 20, 2021, 10:19 am

What a shitty start to the day, my partner and I were expecting to go hospital today for her to give birth (39 weeks today) and walking out to the road I notice the car has disappeared. Always had frightening dreams of this happening and straight away I had a feeling it got stolen. London is known for crimes and I always keep my keys safe in a faraday box but since I was at my partners I didn't have it. Turns out the local council left a ticket on my car which I didn't return to within 30 MINUTES. I ended up having to pay £265 GBP ~ \$361 USD to recover my new car.

TLDR - my car got seized for a parking ticket where I had only parked for the last 12 hours.

If you read the post you would see that my partner is 9 months pregnant and she was due to give birth today. She can't walk and is having contractions..

**Dan** - July 20, 2021, 10:27 am

Seems about right for London.

Hope everything goes OK with the lil one on its way.

All hospitals have wheelchairs nearby the entrance. You think you're the only person coming there for an emergency?

**M4A4™** - July 20, 2021, 11:10 am

Wow I can't believe they seized it over that though???

He didn't park at the hospital, he was parked at his partners place.

Hahah lol even I'm not that pissed, only posted to show how shitty London is. It wasn't blocking anyone's drive except my partners so I just found it ridiculous.

**Lrrr** - July 20, 2021, 12:17 pm

But officer, I was just parked here for a few minutes!!!

**clean** - October 5, 2021, 1:14 pm

Be thankful that it wasn't torn up. Sometimes when they do these tow away they completely fuck your car up. I seen one get towed out of a parking garage once, and they just ripped the roof rack off this hummer. I WOULD FLIP!

**Scoppa** - October 5, 2021, 1:15 pm

Dude, just pay your fucking ticket.

**Prettykitty** - October 5, 2021, 1:23 pm

Getting a ticket sucks, I heard in some places you can not pay your ticket if the officer than issued it doesn't show up to court.

**The Pact** - October 10, 2021, 6:43 am

This is what you get for being too much of an ass to marry her.

**iNviZ** - October 10, 2021, 7:48 am

Can you fight the ticket? That sucks man and more importantly congratulations and hope your child was delivered healthy.

**Kaiba Corp** - October 10, 2021, 9:10 am

Stuff happens, feel bad for your partner How's she and the kid?  
For the parking, it's just money you'll recover that.

**Louis Vuitton** - October 10, 2021, 9:13 am

Oof bad luck brother. Hope the rest of the week gets better.

**Maxorg** - October 10, 2021, 9:14 am

TLDR - my car got seized for a parking ticket where I had only parked for the last 12 hours. It must be because you have parked in a non parking zone when you are in a hurry.

Sounds like you have some shite luck

Because they have a baby. So if she doesn't with a baby my honest thought is she's being a weirdo. I thought you wanted to get back to the family unit?

Here I am showing my conservative side. But I was married until death did us part so I guess I had it lucky that he wasn't some ass I wanted to leave I suppose. I don't know why if we could get through all the sh\*t we did together so many other couples can't stick it out though and make a commitment when they have a damn baby. We got engaged and married two years before we conceived a child and when we got engaged all these assholes kept asking if I was pregnant. Wtf? So rude. And we were like "no we just....you know....love each other." And the response was confusion. What has the world come to?

LOL. For some reason it flashed in my mind to people that ask large women if they're pregnant.

Yeah I do think that family units are the building block of Western civilization, or any civilization for that matter.

How is you wife and has she given birth? If yes, I wish baby and mother are fine and healthy. It will be good if you update us on this.

**Sigma** - *October 12, 2021, 5:51 am*

I had the same thing happen to me in college, well similar. Had my car parked in an area where they needed to plow on a main street. Impounded.

Any update on this, hope your got everything sorted out.

**Monero-chan** - *October 31, 2021, 2:20 pm*

That sucks you had your car towed, but sometimes you have to learn things the hard way. By the way hope your child's birth went well.

**Ivex** - *October 31, 2021, 4:05 pm*

Definitely a London thing. I live in the UK but London feels soulless.
