Thread: [Legitimate Rewards Website - CPA / CPI Marketing](#)

Juice14 - July 20, 2021, 12:20 pm

Looking to sell my legitimate high-quality Gift Card Rewards Site.
An amazing website that is user-friendly and is responsive!

<https://gemearn.com>

The site has the following:

Earn
Withdraw (FULLY AUTOMATED & Custom API)
Promo Codes (customization at any time)
Referrals
Postback System
Leaderboards
Admin Panel
Webhook

Price: 5k
Pretty Firm
BTC

Source Code By Itself Without
The GemEarn Community and My Setup Assistance

Price: 1.5k Each

You can make huge amounts of money
from this site due to ROBUX being a
the trending currency being used to payout
users that complete GPT Tasks!

This site source can get you accepted into:

AdGate Media
AyeTStudios
AdGem
Offertoro
OGAds
PropellerAds
and many more!

what is a rewards/cpa website?
a rewards/cpa website is a website that
are paid out from offerwall companies that
will pay you to get your audience to download

apps or watch videos. they pay via pp/btc/bank.

how does cpa/rewards sites work?

cpa and rewards work when an user downloads an app or watches a video on your website. then you get paid from monetization companies.

Comes with active social media:

Discord

Twitter

Instagram

LinkTree

Youtube
