Thread: [Anyone Know CRIMINAL or Phobia Aka Ryan? \[BTC REWARD\]](#)

Enthusiast - July 21, 2021, 7:12 pm

I see criminal is no longer HF member.

I don't really care for criminal, but I am curious to how Ryan is doing, I know he isn't the most loved in the community but he was more so misunderstood, bullied and taken advantage of in my opinion lol (I know I probably only know 1 side of the story, as there is always 3 to every story)

Last I heard from him was 2-3 years ago before he got his tumor removed form the brain, and then he went ghost.

Curious to see if anyone talks to criminal or Ryan(phobia) who can find out !

Thanks, I'll offer a BTC reward.

Reward is given when I talk to phobia and confirm legitimacy.

1. Thank you for mentioning this, can you recommend a correct location?

2. This isn't doxing related at all? I simply want to know if anyone knows an old friend to see if he is doing okay.

3. How am I harassing? If anything I help victims of harassment....

1.) If you want to offer money, it belongs in [Buyers Bay](#)

If you want to see if people will do it for free, it belongs in [Rewards and Small Favors](#)

2.) Using the peoples names and asking for info is questionable, but your right there's nothing about doxing.

3.) Just general advice, I was assuming things
