I'll put a baseline bid on assgod.com for \$10, obviously worth more though.

Lmk.

I'll put baseline offer of \$10 down for browselaw.com.

loadman - July 24, 2021, 7:52 am

15\$ on assgod

10\$ on evildevs

plz lmk if anyone outbids me

I do not wanna come off as rude etc but evildevs is only worth about \$100. The value of the domain is based on many things page views, unique visitors, traffic etc. You may want to reconsider the value on that one anyways.

do this still available for me to buy, im a domain broker i keep domain and sale it on high price

Kryme - August 21, 2021, 8:18 pm

Would love to put an offer in for assgod, I'll do \$100.

I also have a few nice TLD domains if you are willing to swap etc. Happy to send you them to review :)

Yes they are available. If you can find a buyer for any of them I'm happy to pay a commission.
