I know its doesnt sounds good, but give it a try. Maybe its better to buy one unsaturated, but maybe there is someone like me, maybe he dont have enough money to buy something and/or just wanna start for free and then buy unsaturated package for money earned from ewhoring. So here it is:

mega . nz/folder/6WxBWCSK#7MPCwKeX4Agp3CMhoEnpaQ/folder/PKpCTQCb

mega . nz/folder/xdM1wAxA#YvPWtAhVTBLLacm9k1RWkg

If you will learn how to make money on some of these packages, you will be able to make money on any kind of packs. Good luck!
